PROXY AND CONSENT STATEMENT

OF

NETSOL SHAREHOLDERS GROUP, LLC

To All NetSol International, Inc. Stockholders:

This Proxy and Consent Statement and the accompanying BLUE proxy card and consent card are being furnished to stockholders ("Stockholders") of NetSol International, Inc. (the "Company") with a principal executive office at 24025 Park Sorrento, Suite 220, Calabasas, California 91302 in connection with (a) the solicitation of proxies by NetSol Shareholders Group, LLC (the "Group") to be used at a special meeting (the "Special Meeting") of Stockholders of the Company to be held at 9:00 a.m. local time on Friday, June 1, 2001, at the offices of the Company at Y-126 Comm DHA, Lahore, Pakistan, or such other time and location as is designated by the Board of Directors (the "Board") of the Company, and at any adjournments, postponements or reschedules thereof and (b) the solicitation of written consents by the Group in lieu of the Special Meeting. This Proxy and Consent Statement and the BLUE proxy card and consent card are first being furnished to Stockholders on or about May __, 2001.

At the Special Meeting, the Group will seek to amend the Bylaws of the Company (the "Bylaws"), to increase and fix the number of authorized directors of the Company at fifteen (15) directors (the "Board Increase") and to elect seven (7) new directors (the "New Directors") to fill the vacancies on the Board created by the Board Increase. The Group's current nominees to be New Directors are named below under "Election of Directors." Each of the nominees (each a "Nominee" and, collectively, the "Nominees"), have been selected by the Group.

In the alternative, rather than amending the Bylaws and appointing the New Directors at the Special Meeting, the Group is seeking to amend the Bylaws and appoint the New Directors by written consent in accordance with Section 78.320(2) of the Nevada Revised Statutes ("NRS"). NRS Section 78.320(3) provides that in no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

Section 1 of Article V of the Bylaws provides that the Bylaws may be amended by the affirmative vote of Stockholders holding of record in the aggregate at least a majority of the outstanding shares of stock entitled to vote in the election of directors at any annual or special meeting of

Stockholders, provided that the notice or waiver of notice of such meeting shall have summarized or set forth in full therein, the proposed amendment. Pursuant to NRS Section 78.320(2) any action required or permitted to be taken at a meeting of stockholders may be taken without a meeting if a written consent thereto is signed by stockholders representing not less than a majority of the voting power of the issued and outstanding stock entitled to voting power. NRS Section 78.320(3) provides that in no instance where action is authorized by written consent need a meeting of stockholders be called or notice given.

The Group's proposed Board Increase, if approved, will create seven (7) vacancies on the Board. Sections 4.1 and 4.3 of Article II of the Bylaws provide that vacancies on the Board may be filled by the vote of a majority of the outstanding shares entitled to vote, represented at a duly held meeting at which a quorum is present, or by the written consent of holders of the majority of the outstanding shares entitled to vote; each director so elected shall hold office until the next annual meeting of the Stockholders of the Company and until a successor has been elected and qualified.

In accordance with Sections 78.320(2) and 78.320(3) of the NRS and consistent with both the Articles of Incorporation and Bylaws of the Company, the Group may effect the Board Increase and the election of the Nominees as the New Directors by obtaining the written consent of Stockholders holding the required majority voting power, without holding a special meeting of Stockholders and without giving prior notice of such action to the Stockholders. If Stockholders representing not less than a majority of the voting power of the issued and outstanding stock entitled to voting power sign and return consent cards enacting the Board Increase and electing the Nominees as the New Directors, and such consents are delivered to the Company prior to June 1, 2001, such action will be taken by such written consent in lieu of the Special Meeting.

If the requisite consents are not delivered prior to the Special Meeting, then the Group will seek to enact the Board Increase and appoint the Nominees as the New Directors at the Special Meeting. If sufficient consents to enact the Board Increase but not to appoint the New Directors are delivered prior to the Special Meeting, the Group will seek to appoint the Nominees as the New Directors at the Special Meeting.

The Group is not satisfied with the existing management or Board of the Company. It believes that the losses announced by the Company on May 14 and May 15, 2001, demonstrate that the Company is not maximizing the value of its assets, and has not adequately pursued market opportunities. The Group believes that the decline in the Company's stock price from \$75.00 per share in March 2000 to the current price of under \$5.00 per share demonstrates that the investment community lacks confidence in both the Company and its management. The Group believes that it is in the best interest of all of the Stockholders to increase the size of the Board and to add the Nominees as the New Directors, who are committed to maximizing the share price and forging a clear direction for the Company. ACCORDINGLY, THE GROUP IS SOLICITING PROXIES AND CONSENTS IN FAVOR OF AMENDING THE COMPANY'S BYLAWS SO AS TO INCREASE THE SIZE OF THE BOARD OF DIRECTORS FROM EIGHT (8) DIRECTORS TO FIFTEEN (15) DIRECTORS AND TO ELECT THE NEW DIRECTORS PROPOSED BY THE GROUP.

THE NOMINEES ARE COMMITTED TO ACTING IN THE BEST INTEREST OF THE STOCKHOLDERS. THE GROUP BELIEVES THAT YOUR VOICE IN THE FUTURE OF THE COMPANY CAN BEST BE EXPRESSED THROUGH AMENDMENT OF THE BYLAWS INCREASING THE SIZE OF THE BOARD AND THE ELECTION OF THE NOMINEES AS THE NEW DIRECTORS. ACCORDINGLY, THE GROUP URGES YOU TO VOTE YOUR BLUE PROXY CARD AND CONSENT FOR THE BOARD INCREASE AND FOR THE NOMINEES AS THE NEW DIRECTORS.

IF YOUR SHARES ARE HELD IN THE NAME OF A BROKERAGE FIRM, BANK, BANK NOMINEE OR OTHER INSTITUTION ON THE RECORD DATE, ONLY IT CAN VOTE SUCH SHARES

AND ONLY UPON RECEIPT OF YOUR SPECIFIC INSTRUCTIONS. ACCORDINGLY, PLEASE CONTACT THE PERSON RESPONSIBLE FOR YOUR ACCOUNT AND INSTRUCT THAT PERSON TO EXECUTE ON YOUR BEHALF THE BLUE PROXY CARD AND CONSENT AS SOON AS POSSIBLE.

IMPORTANT

Both the approval of the Board Increase and the election of the Nominees as the New Directors require the affirmative vote of a plurality of the votes cast, assuming a quorum is present or otherwise represented at the Special Meeting. A majority of the outstanding shares entitled to vote is required for the approval of the Board Increase and for the election of the Nominees as the New Directors by written consent. As a result, your vote is extremely important in deciding the future of the Company. The Group urges you to mark, sign, date and return the enclosed BLUE proxy card and consent card to vote FOR the Board Increase and FOR the election of the Nominees as the New Directors.

THE GROUP URGES YOU NOT TO SIGN ANY PROXY OR CONSENT CARD SENT TO YOU BY MANAGEMENT OF THE COMPANY. IF YOU HAVE ALREADY DONE SO, YOU MAY REVOKE YOUR PROXY BY DELIVERING A LATER-DATED BLUE PROXY CARD TO THE GROUP, OR BY VOTING IN PERSON AT THE SPECIAL MEETING. SEE "VOTING PROCEDURES" AND "PROXY PROCEDURES" BELOW.

Page 4

Only holders of record of the Company's voting securities as of the close of business on Friday, May 11, 2001 (the "Record Date") are entitled to notice of and to vote at the Special Meeting and any adjournments or postponements thereof. According to the Quarterly report on Form 10-QSB for the quarterly period ending March 31, 2001, filed with the Securities and Exchange Commission (the "SEC") on May 15, 2001, as of May 11, 2001 there were 11,731,440 shares of Common Stock outstanding and no shares of preferred stock of the Company outstanding. Stockholders of record at the close of business on the Record Date will be entitled to one vote at the Special Meeting for each share of common stock, \$.001 per share (the "Common Stock"), held on the Record Date.

As of May 11, 2001, members of the Group, Blue Water Master Fund, L.P., ("BW Master Fund"), Blue Water Partners II, L.P., PSM International Limited, and Dr. Henry Vogel (collectively, the "Group Members"), beneficially owned an aggregate of 3,016,840 shares of Common Stock, representing approximately 25.7% of the outstanding shares of Common Stock. The Group Members and their affiliates intend to vote such shares FOR the Board Increase and for the election of the Nominees as the New Directors.

THE GROUP URGES YOU TO VOTE FOR THE BOARD INCREASE AND FOR THE NOMINEES AS THE NEW DIRECTORS BY RETURNING YOUR COMPLETED BLUE PROXY CARD AND CONSENT CARD TODAY. A failure to sign, date and return the BLUE proxy or consent cards in a timely manner will have the same effect as voting against the Group's proposals. If you have any questions, you can reach the Group's proxy solicitor, Innisfree M&A Incorporated, Attn. Alan Miller, at (212) 750-5831.

BACKGROUND OF THE PROXY SOLICITATION

The Common Stock has declined precipitously from a high of \$75.00 per share on March 3, 2000 to a low of \$1.38 on April 5, 2001. On April 24, 2001, BW Master Fund, engaged legal counsel and initiated oral communication with a limited number of fellow Stockholders pursuant to Rule 14a-2(b)(2), for the purpose of discussing their views on the management and performance of the Company. As a major Stockholder of the Company, BW Master Fund has similar concerns as other Stockholders with the Company's recent poor financial performance and falling stock price.

On April 25, 2001, BW Master Fund and certain other Stockholders formed the Group for the purpose of exploring available options. The Group had oral discussions with Donald Danks and Shelly Singhal, directors of Netgateway, Inc. (OTC BB: NGWY.OB) concerning a possible strategic fit between Netgateway and the Company. The Group members entered into a Stock Option Agreement with Netgateway pursuant to which Netgateway was granted an option to purchase up to 300,000 of the Group Members' shares in the Company, and the Group Members were given warrants to purchase up to 300,000 shares of in Netgateway common stock. BW Master Fund, Blue Water Partners II, L.P., Dr. Henry Vogel and Netgateway each signed the Stock Option Agreement. Although listed as parties to the Stock Option Agreement, Robert and Susan Harman did not sign it.

On April 26, 2001, the Group filed a Schedule 13D with the SEC and issued a press release announcing the formation of the Group. The Group attempted to initiate contact with management of the Company. Management refused to accept the Group's telephone calls. The Group thereafter decided to initiate a proxy contest.

On April 27, 2001, BW Master Fund called a Special Meeting of the Stockholders for June 1, 2001, by written request to the Chairman of the Board of the Company. BW Master Fund currently holds approximately 18.5% of the outstanding shares entitled to vote. Section 3.1 of Article IV of the Bylaws authorizes one or more Stockholders, holding in the aggregate at least 10% of the shares entitled to vote at any such meeting, to call a Special Meeting for any purpose or purposes whatsoever. Pursuant to Section 3.2 of Article IV of the Bylaws, the officer receiving such a request shall forthwith cause notice to be given to the Stockholders entitled to vote, that a meeting will be held at the time requested by the Stockholder or Stockholders calling the meeting.

On April 27, 2001, the Group also filed a preliminary proxy statement with the SEC, and issued a press release announcing the initiation of a proxy contest. Counsel for the Group thereafter spoke with counsel for the Company in an attempt to initiate discussions. Neither the Company nor its counsel responded. The Company has since stated that "there is no room for compromise at this point in time," and that "there was never any intent to negotiate with the Group."

On May 7, 2001, the Company filed a preliminary proxy statement with the SEC stating that it would hold the Special Meeting on June 1, 2001, as requested by BW Master Fund. The Company has designated that the Special Meeting take place in Lahore, Pakistan. On May 9, 2001, BW Master Fund revised its Special Meeting request to include the proposed amendment of the Bylaws to increase the Board to fifteen (15) Directors and the election of seven (7) Nominees of the Group as the New Directors.

Donald Danks, Chairman and Chief Executive Officer of Netgateway, has stated that "I believe this is an excellent opportunity for two complimentary companies to explore a wide range of strategic options to help maximize the value of the products, services, infrastructures and assets of both companies." The Group believes that there may be a strategic fit between the two companies, such as the possibility that the Company could provide programming outsourcing for Netgateway. However, neither the Group nor Netgateway has yet fully analyzed or determined whether this is the case, no agreement has been reached between the Group (or any Group Members) and Netgateway other than the Stock Option Agreement, and there have been no specific negotiations concerning any acquisition, merger or other potential transaction involving the Company and Netgateway.

In opposition to the current Board, the Group is seeking to solicit the proxies and consents of Stockholders to be used to amend the current Bylaws so as to increase the size of the Board from eight (8) directors to fifteen (15) directors and to elect the Nominees as New Directors of the Company by written consent, or alternatively at the Special Meeting. The Nominees, if elected, intend to engage an investment bank and actively pursue acquiring, merging with or being acquired by another public company. The Group believes that one or more current directors of the Company, including Cary Burch, will vote in favor of this plan. The Nominees plan to change the existing management and operations of the Company to effectuate this plan. Each of the Nominees has consented, if so elected, to serve as a director and is fully committed, if elected, to take such action as the Nominees deem advisable and in the best interest of the Stockholders and which they believe will maximize stockholder value and improve

the Company's future viability and growth.

The Group believes that the adoption of this strategy will make the Company a far more attractive company.

ELECTION OF DIRECTORS

According to the Company's proxy statement prepared in connection with the 2000 Annual Meeting of the Company, as filed with the SEC on November 9, 2000 (the "Company's Proxy Statement"), the Company currently has eight (8)

Page 5

Directors, all of whose terms will expire at the next annual meeting of the Stockholders. The Group proposes that the Stockholders vote in favor of the Board Increase and elect each of the Nominees as the New Directors by written consent or at the Special Meeting. Each Nominee, if elected, would hold office until the next annual meeting of the Stockholders or until a successor has been elected and qualified. Although the Group does not anticipate that any of the persons named below will be unable or unwilling to stand for election, in the event of such occurrence, proxies or consents may be voted for a substitute designated by the Group.

Background information about the Nominees is set forth below. See Appendix I for additional information about the Nominees, including their beneficial ownership, purchase and sale of securities issued by the Company over the past two years and the name and address of their principal employers.

One of the Nominees, Mr. Martin, as President of Corvus Business Development Services ("Corvus"), negotiated a Finders Agreement with the Company, pursuant to which Corvus was to find potential candidate companies for acquisition, merger, investment or other business combinations on behalf of the Company. However, the Finders Agreement was never executed by Corvus, no services were performed, and no consideration was exchanged between the parties.

Except as described herein, neither the Group, nor any Nominee nor any of their associates (i) has engaged in or had a direct or indirect interest in any transaction or series of transactions since the beginning of the Company's last fiscal year or in any currently proposed transaction, to which the Company or any of its subsidiaries is a party, where the amount involved was in excess of \$60,000, (ii) owns beneficially or of record any securities of the Company, (iii) borrowed any funds for the purpose of acquiring or holding any securities of the Company or is presently, or has been within the past year, a party to any contract, arrangement or understanding, with any person with respect to securities of the Company.

The Group has entered into letter agreements (the "Nominee Agreements") with each of the Nominees with respect to their service as Nominees, to stand for election as Directors of the Company at the Special Meeting. The Nominee Agreements each provide, among other things, as follows:

- - The Nominee acknowledges that he has agreed to become a member of the slate of Nominees to stand for election as directors of the Company in connection with a proxy contest with management of the Company in respect of the election of directors of the Company at the Special Meeting or by written consent of the Stockholders.
- - The Group agrees to pay the costs of the proxy contest.
- - The Group agrees to indemnify each Nominee from and against any losses incurred by the Nominee arising from any action relating to such Nominee's role as a Nominee, absent gross negligence or willful misconduct.
- - The Nominee agrees to withdraw as a Nominee of the Group if requested to do so by the Group at any time prior to his election as a Director of the Company.

OTHER MATTERS TO BE CONSIDERED AT THE SPECIAL MEETING

Except as set forth above, the Group is not aware of any proposals to be brought before the Special Meeting. Should other proposals be brought before the Special Meeting, the persons named on the BLUE proxy card -- to whom proxies will have been granted -- will abstain from

Page 8

voting on such proposals unless such proposals adversely affect the interests of the Group and/or the Nominees as determined by the Group in its sole discretion, in which event such persons will vote on such proposals at their discretion.

VOTING PROCEDURES

Only Stockholders of record as of the Record Date are entitled to notice of and to vote at the Special Meeting or any adjournments thereof. On May 11, 2001, there were 11,731,440 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote on the matters to be presented at the Special Meeting.

A majority of the votes entitled to be cast on matters to be considered at the Special Meeting, present in person or by proxy, will constitute a quorum at the Special Meeting. If a share is represented for any purpose at the Special Meeting, it is deemed to be present for all other matters. Abstentions and broker nonvotes will be counted for purposes of determining the presence or absence of a quorum. "Broker nonvotes" are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under applicable Nevada law, the effect of broker nonvotes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority. The effect of broker nonvotes on the specific items to be brought before the Special Meeting is discussed under each item.

PROXY PROCEDURES

IN ORDER FOR YOUR VIEWS TO BE REPRESENTED AT THE SPECIAL MEETING, PLEASE MARK, SIGN, DATE AND RETURN THE ENCLOSED BLUE PROXY CARD AND RETURN IT TO NETSOL

The accompanying BLUE proxy card will be voted at the Special Meeting in accordance with your instructions on such card.

Any proxy may be revoked at any time prior to the time a vote is taken by delivering to the Secretary of the Company a notice of revocation bearing a later date, by a duly executed proxy bearing a later date or by attending the Special Meeting and voting in person.

Only holders of record as of the close of business on the Record Date will be entitled to vote. If you were a Stockholder of record on the Record Date, you will retain your voting rights of the Special Meeting even if you sell such shares after the Record

Page 9

Date. Accordingly, it is important that you vote the shares held by you on the Record Date, or grant a proxy to vote such shares on the BLUE proxy card, even if you sell such shares after the Record Date.

SOLICITATION OF PROXIES AND CONSENTS

Solicitation of proxies and consents shall be made only by the Group.

The Group has retained Innisfree M&A Incorporated (the "Solicitor") to conduct the solicitation, for which the Solicitor is to receive a fee of \$25,000 to \$65,000, plus reimbursement for its reasonable out-of-pocket expenses. The Group has agreed to indemnify the Solicitor against certain liabilities and expenses, including liabilities under federal securities laws. Proxies and consents may be solicited by mail, courier services, advertising, telephone, telecopier or in person. It is anticipated that the Solicitor will employ approximately 30 persons to solicit Stockholders for the proxies and written consents.

Costs related to the solicitation of proxies and consents, including expenditures for attorneys, accountants, public relations and financial advisers, proxy solicitors, payments to nominees, advertising, printing, transportation and related expenses and filing fees, will be borne by the Group. To date, the Group has incurred \$25,000 for the solicitor and approximately \$100,000 in legal fees related to the solicitation. Such costs are expected to be approximately \$250,000 in total. The Group intends to seek reimbursement for the costs and expenses associated with the proxy solicitation in the event that the Board Increase is approved and the Nominees are elected as the New Directors, but do not intend to submit the issue of reimbursement to a vote of security holders.

WRITTEN CONSENT PROCEDURE

The Group's proposals will become effective upon execution of written consents (or other forms of consent), signed and dated by persons entitled to vote a majority of the shares of the Common Stock then outstanding. Therefore, the failure to sign, date and return a consent, or the returning of a consent marked "WITHHOLDS CONSENT", will have the same effect as voting against the Group's proposals.

Signing and returning a BLUE consent card marked to indicate the withholding of consent to the election of any Nominee will have the same effect as voting against the election of the Nominee.

Broker non-votes will have the same effect as a vote against the Group's proposals.

The effectiveness of electing the Nominee is conditioned upon the approval of the Board Increase.

CONSENT INSTRUCTIONS

Each Stockholder may elect to consent or withhold consent to each proposal by marking the "CONSENTS" or "WITHHOLDS CONSENT" box, as applicable, underneath each proposal on the accompanying BLUE consent card and signing, dating and returning it promptly in the enclosed envelope. In addition, a Stockholder may withhold consent to the election of any individual Nominee by writing such person's name where indicated on the consent card.

If a Stockholder returns a BLUE consent card that is signed and not marked with respect to one or both proposals, the Stockholder will thereby consent to all unmarked proposals in their entirety, except that the Stockholder will not thereby consent to the election of any Nominee whose name is written by the Stockholder on the consent card.

Except as indicated by footnote, and subject to community property laws where applicable, the persons named in the table have sole voting and investment power with respect to all shares of Common Stock shown as beneficially owned by them.
