QUESTIONS AND ANSWERS ABOUT VOTING AND THE SHAREHOLDER MEETING

Q: Why did I receive the proxy materials?

A: We have made the proxy materials available to you over the internet and mailed you paper copies of these materials because the Board is soliciting your proxy to vote your shares of our common stock at the annual meeting to be held on May 27, 2015 and at any adjournments or postponements of this meeting.

Q: What is a proxy?

A: The Board is asking you to give us your proxy. Giving us your proxy means that you authorize another person or persons to vote your shares of our common stock at the annual meeting in the manner you direct. The written document you complete to designate someone as your proxy is usually called a "proxy card" or a "voting instruction form" depending on how the ownership of your shares is reflected in our records. If you are the record holder of your shares, a "proxy card" is the document used to designate your proxy to vote your shares. If you hold your shares in street name, a "voting instruction form" is the document used to designate your proxy to vote your shares. In this proxy statement, the term "proxy card" means both the voting instruction form and proxy card unless otherwise indicated.

Q: Who Can Vote?

A: You are entitled to notice of the Annual Meeting if you held any shares of common stock of NetSol Technologies, Inc. as of the close of business on the record date, April 15, 2015. You are entitled to vote at the Annual Meeting all shares of common stock of NetSol Technologies, Inc. that you held as of the close of business on that record date. Each share of common stock is entitled to one vote with respect to each matter properly brought before the Annual Meeting.

As of the record date, April 15, 2015, there were 10,142,707 shares of common stock of NetSol Technologies, Inc. issued and outstanding.

In accordance with Nevada law, lists of our shareholders who are entitled to vote at the Annual Meeting will be available for inspection by any stockholder present at the Annual Meeting and, for ten days prior to the Annual Meeting, by any stockholder, for purposes germane to the meeting, at our offices located at 24025 Park Sorrento, Suite 410, Calabasas, CA 91302. Any inspection of these lists prior to the Annual Meeting must be conducted between 9:30 A.M. and 4:30 P.M. (PST). Please contact our Secretary before going to conduct any inspection prior to the Annual Meeting.

Q: Who Is the Record Holder?

A: You may own common stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares are registered directly in your name, we are sending these proxy materials directly to you. If the record holder of your shares is a nominee, you will receive proxy materials from such nominee.

Q: How Do I Vote?

Record Holders:

- By Mail. If you choose to vote by mail, mark your proxy card, date and sign it, and return it as soon as possible in the postage-paid envelope provided.

By Telephone. If you choose to vote by phone, please call toll free 1-877-732-3614 and vote your shares; international callers please call our toll number (201) 806-7301 to vote.

- By attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares in person.

By voting on the Internet. Please go on www.proxyvote.com.

Stock Held by Brokers, Banks and Nominees:

- If your common stock is held by a broker, bank or other nominee, such nominee will provide you with instructions that you must follow in order to have your shares voted.
- If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of common stock on April 15, 2015.

Q: Are proxy materials available on the Internet?

A: Yes, please see notice below:

**Important notice regarding the availability of proxy materials
for the annual shareholder meeting to be held on May 27, 2015;**

Our Proxy Statement and 2014 Annual Report are available on the following Web site:
<http://www.netsoltech.com/us/investors/proxy2015>

Q: What are NetSol shareholders being asked to vote on at the annual shareholder meeting?

A: You will vote on:

- **Item 1:** The election of seven directors to serve until the next annual meeting of shareholders;
- **Item 2:** To consider and vote upon the ratification of the appointment of Kabani & Company as the Company's independent auditors for the fiscal year 2015;
- **Item 3:** To approve, on an advisory basis, the named executive officer compensation in this Proxy Statement; and,
- **Item 4:** To approve the Company's 2015 Equity Incentive Plan.

Q: How Many Shares Must be Represented In Order to Transact Business at the Annual Meeting?

A: A quorum is the number of shares that must be represented, in person or by proxy, in order to transact business at the Annual Meeting. We will have a quorum and be able to conduct business at the Annual Meeting if a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy. Abstentions will be included in the calculation of the number of shares considered to be present for purposes of determining whether a quorum is present.

Q: How Many Votes Are Required to Approve a Proposal?

A: If a quorum is present, the vote of a majority of votes present in person or represented by proxy at the meeting and entitled to vote on the election of directors is required to elect directors. The vote of a majority of the votes cast is required to ratify the selection of our independent registered public accounting firm, to approve the proposal to approve, on an advisory basis, the named executive officer compensation in this Proxy Statement and, to approve the Company's 2015 Equity Incentive Plan. .

Q: What is a Broker Non-Vote?

A: Under the rules that govern nominees who have record ownership of shares that are held in "street name" for account holders (who are the beneficial owners of the shares), nominees typically have the discretion to vote such shares on routine matters, but not on non-routine matters. If a nominee has not received voting instructions from an account holder and does not have discretionary authority to vote shares on a particular item, a "broker non-vote" occurs.

Q: How can I change my vote?

A: You can revoke your proxy prior to the close of voting at the Annual Meeting by:

- Sending written notice of revocation to our Secretary at our executive offices;
- Sending a signed proxy card bearing a later date to our Secretary; or
- If you attend the Annual Meeting in person, by either giving notice of revocation to the Inspector(s) of Election at the Annual Meeting or by voting in person.

Q: Does Anyone Solicit this Proxy and Who Will Pay the Expenses of Proxy Distribution?

A: We will pay the expenses for the preparation of the proxy materials and the solicitation of proxies. Our directors, officers or employees may solicit proxies on our behalf in person or by telephone, e-mail, facsimile or other electronic means. These directors, officers and employees will not receive additional compensation for such services. In accordance with the regulations of the United States Securities and Exchange Commission (the "SEC"), we may reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of our common stock.

Q: What do I need to do now?

A: First, carefully read this document in its entirety. Then, vote your shares by following the instructions from your broker, if your shares are held in "street name", or by one of the following methods:

- If you received these printed materials by mail, mark, sign, date and return your proxy card in the enclosed return envelope as soon as possible;
- call the toll-free number on the proxy card and follow the directions provided;
- go to the website listed on the proxy card and follow the instructions provided; or
- attend the shareholder meeting and submit a properly executed proxy or ballot. If a broker holds your shares in "street name," you will need to get a legal proxy from your broker to vote in person at the meeting.

Voting by phone or on the Internet has the same effect as submitting a properly executed proxy card.

Q: What are my choices when voting?

A: When you cast your vote on:

Item 1: You may vote in favor of electing the nominees as directors or vote against one or more nominees or you may abstain from voting.

Item 2: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares.

Item 3: You may cast your vote in favor of or against the proposal or you may elect to abstain from voting your shares.

Item 4: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares.

If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote in favor of each director nominee and in favor of Proposal 1, 2, 3 and 4.

Q. Does the Board have a recommendation for voting?

A. The Board unanimously recommends you vote your shares as follows:

Proposal 1 – "FOR" each of the persons nominated for election to the Board.

Proposal 2- "FOR" ratifying the selection of Kabani & Company LLP as the Company's independent auditor for fiscal year ending June 30, 2015.

Proposal 3- "FOR" approval, on an advisory basis, the named executive officer compensation in this Proxy Statement.

Proposal 4- "FOR" the approval of the Company's 2015 Equity Incentive Plan.

Q: What if I abstain from voting?

A: If your shares are represented at the annual meeting, in person or by proxy, but you abstain from voting on a matter, or include instructions in your proxy to abstain from voting on a matter, your shares will be counted for the purpose of determining if a quorum is present, but will not be counted as either an affirmative vote or a negative vote with respect to that matter. With respect to the items scheduled to be voted on at the meeting, abstentions will have no effect on the outcome of the vote on those proposals, assuming a quorum is present.

Q: Who is eligible to vote?

A: Holders of record of NetSol Technologies, Inc. common stock at the close of business on April 15, 2015 are eligible to vote at NetSol's annual meeting of shareholders. As of that date, there were 10,142,707 shares of NetSol common stock outstanding held by 222 holders of record, a number that does not include beneficial owners who hold shares in "street name".

Q: How many shares are owned by NetSol's directors and executive officers?

A: On March 30, 2015, NetSol's directors and executive officers beneficially owned 1,303,280 shares entitled to vote at the annual meeting, constituting approximately 13.01% of the total shares outstanding and entitled to vote at the meeting.

Q: Can I change my vote after I have mailed my signed proxy card or voted by telephone or electronically?

A: Yes. If you have not voted through your broker, you can do this by:

- calling the toll-free number on the proxy card at least 24 hours before the meeting and following the directions provided; or,
- going to the website listed on the proxy card at least 24 hours before the meeting and following the instructions provided; or,
- submitting a properly executed proxy prior to the meeting bearing a later date than your previous proxy; or,
- voting in person at the meeting, but simply attending the meeting will not, in and of itself, revoke a proxy.

If you voted through your broker, please contact your broker to change or revoke your vote.

Q: If my shares are held in "street name" by my broker, will my broker vote my shares for me?

A: Yes, but only if you give your broker instructions. If your shares are held by your broker (or other nominee), you should receive this document and an instruction card from your broker. Your broker will vote your shares if you provide instructions on how to vote. If you do not tell your broker how to vote, your broker may vote your shares in favor of ratification of the auditor appointment but may not vote your shares on the election of directors or any other item of business. However, your broker is not required to vote your shares if you do not provide instructions.

Q: Can I attend the shareholder meeting even if I vote by proxy?

A: Yes. All shareholders are welcome to attend and we encourage you to do so.

Q: Why did I receive more than one proxy card?

A: You may receive multiple cards if you hold your shares in different ways (e.g. joint tenancy, in trust or in custodial accounts). You should vote on every proxy card that you receive.

Q: Are there any rules regarding admission to the annual meeting?

A: Yes. You are entitled to attend the annual meeting only if you were, or you hold a valid legal proxy naming you to act for, one of our shareholders on the record date. Before we will admit you to the meeting, we must be able to confirm:

- Your identity by reviewing a valid form of photo identification, such as a driver's license; and
- You were, or are validly acting for, a shareholder of record on the record date by:
 - verifying your name and stock ownership against our list of registered shareholders, if you are the record holder of your shares;
 - reviewing other evidence of your stock ownership, such as your most recent brokerage or bank statement, if you hold your shares in street name; or your most recent plan statement; or
 - reviewing a written proxy that shows your name and is signed by the shareholder you are representing, in which case either the shareholder must be a registered shareholder or you must have a brokerage or bank statement for that shareholder as described above.

If you do not have proof that you owned, or are legally authorized to act for someone who owned, shares of our common stock on the record date, you will not be admitted to the meeting.

At the entrance to the meeting, we will verify that your name appears in our stock records or will inspect your brokerage or bank statement, or proof of ownership and any written proxy you present as the representative of a shareholder. We will decide whether the documentation you present for admission to the meeting meets the requirements described above. The annual meeting will begin at 10:00 a.m., local time. Please allow ample time for the admission procedures described above.

Q: Where do I get more information?

ANNUAL MEETING BUSINESS

PROPOSAL 1

ELECTION OF DIRECTORS

NetSol's articles of incorporation and bylaws provide that directors are elected to serve a one-year term of office, expiring at the next annual meeting of shareholders. Our articles of incorporation establish up to nine directors, with the exact number to be fixed from time to time by resolution of the board of directors.

Directors are elected by a majority of votes, which means that the nominees receiving the most votes will be elected. Shareholders are not entitled to cumulate votes in the election of directors. In determining the votes cast for the election of a director, abstentions and broker non-votes are excluded. The Nominating and Corporate Governance Committee considers the offer of resignation and recommends to the board whether to accept it. The policy requires the board to act on the Nominating and Corporate Governance Committee's recommendation within 90 days following the shareholder meeting. Board action on the matter requires the approval of a majority of the independent directors.

The board of directors has nominated the following directors for election to one-year terms that will expire at earlier of their removal or replacement or at the 2015 annual meeting:

Najeeb Ghauri
Naeem Ghauri
Asad Ghauri
Shahid J. Burki
Eugen Beckert
Mark Caton
Jeffery Bilbrey

The individuals appointed as proxies intend to vote "FOR" the election of the nominees listed above. If any nominee is not available for election, the individuals named in the proxy intend to vote for such substitute nominee as the board of directors may designate. Each nominee has agreed to serve on the board and we have no reason to believe any nominee will be unavailable.

For the biography of each nominee as well as for Director Compensation, please refer to Page 30 of the Proxy.

Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF ALL NOMINEES.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF KABANI & COMPANY, INC. AS THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL YEAR 2015

The Audit Committee has selected the firm of Kabani & Company ("Kabani"), the Company's independent auditors for the year ended June 30, 2014 as well as to act in such capacity for the fiscal year ending June 30, 2015, and recommends that shareholders vote in favor of ratification of such appointment. There are no affiliations between the Company and Kabani, its partners, associates or employees, other than those which pertain to the engagement of Kabani in the previous year (i) as independent auditors for the Company and (ii) for certain consulting services. Kabani has served as the Company's independent auditor since 2002.

Audit Fees

Kabani & Co. audited the Company's financial statements for the fiscal years ended June 30, 2014 and June 30, 2013. The aggregate fees billed by Kabani & Co. for the annual audit and review of financial statements included in the Company's Form 10-K, services and/or services that are normally provided by Kabani & Company that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for the year ended June 30, 2014. The fees for those services for fiscal year ended June 30, 2014 was \$255,000 and for the year ended June 30, 2013 was \$240,000.

Tax Fees

Tax fees for fiscal year 2014 were \$15,000 and consisted of the preparation of the Company's federal and state tax returns for the fiscal year 2013. Tax fees for fiscal year 2013 were \$15,000 and consisted of the preparation of the Company's federal and state tax returns for the fiscal year 2012.

All Other Fees

No other fees were paid to Kabani & Co. during the fiscal years 2014 and 2013.

Pre-Approval Procedures

The Audit Committee and the Board of Directors are responsible for the engagement of the independent auditors and for approving, in advance, all auditing services and permitted non-audit services to be provided by the independent auditors. The Audit Committee maintains a policy for the engagement of the independent auditors that is intended to maintain the independent auditor's independence from NetSol. In adopting the policy, the Audit Committee considered the various services that the independent auditors have historically performed or may be needed to perform in the future. The policy, which is to be reviewed and re-adopted at least annually by the Audit Committee:

- (i) Approves the performance by the independent auditors of certain types of service (principally audit-related and tax), subject to restrictions in some cases, based on the Committee's determination that this would not be likely to impair the independent auditors' independence from NetSol;
- (ii) Requires that management obtain the specific prior approval of the Audit Committee for each engagement of the independent auditors to perform other types of permitted services; and,
- (iii) Prohibits the performance by the independent auditors of certain types of services due to the likelihood that their independence would be impaired.

Any approval required under the policy must be given by the Audit Committee, by the Chairman of the Committee in office at the time, or by any other Committee member to whom the Committee has delegated that authority. The Audit Committee does not delegate its responsibilities to approve services performed by the independent auditors to any member of management.

The standard applied by the Audit Committee in determining whether to grant approval of an engagement of the independent auditors is whether the services to be performed, the compensation to be paid therefore and other related factors are consistent with the independent auditors' independence under guidelines of the Securities and Exchange Commission and applicable professional standards. Relevant considerations include, but are not limited to, whether the work product is likely to be subject to, or implicated in, audit procedures during the audit of NetSol's financial statements; whether the independent auditors would be functioning in the role of management or in an advocacy role; whether performance of the service by the independent auditors would enhance NetSol's ability to manage or control risk or improve audit quality; whether performance of the service by the independent auditors would increase efficiency because of their familiarity with NetSol's business, personnel, culture, systems, risk profile and other factors; and whether the amount of fees involved, or the proportion of the total fees payable to the independent auditors in the period that is for tax and other non-audit services, would tend to reduce the independent auditors' ability to exercise independent judgment in performing the audit.

Shareholder approval of the selection of Kabani as our independent auditors is not required by law, by our bylaws or otherwise. The Sarbanes-Oxley Act of 2002 requires the Audit and Compliance Committee to be directly responsible for the appointment, compensation and oversight of the audit work and the independent auditors. The Committee will consider the results of the shareholder vote on this proposal and, in the event of a negative vote, will reconsider its selection of Kabani. However, the Audit and Compliance Committee is not bound by the shareholder vote.

Even if Kabani's appointment is ratified by the shareholders, the Audit and Compliance Committee may, in its discretion, appoint a new independent registered public accounting firm at any time if it determines that such a change would be in the best interests of the Company and its shareholders. A representative of Kabani is expected to be available via telephonic conference in the event of any appropriate

questions arise at the meeting.

Board Recommendation

THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF KABANI AS INDEPENDENT AUDITOR FOR FISCAL YEAR 2015.

PROPOSAL 3.
ADVISORY VOTE ON EXECUTIVE COMPENSATION

A “say on pay” advisory vote is required for all U.S. public companies under Section 14A of the Securities Exchange Act of 1934, as amended. In accordance with this law, we are asking shareholders to approve, on an advisory basis, the compensation of the Company’s named executive officers disclosed in the Compensation Discussion and Analysis section on page 18. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies and practices described in this proxy statement.

For the reasons discussed below, the Board of Directors recommends that you vote FOR approval of the advisory vote on executive compensation because it believes that the policies and practices described in the Compensation Discussion and Analysis are effective in achieving the Company’s goals of rewarding sustained financial and operating performance and leadership excellence, aligning the executives’ long-term interests with those of the shareholders and motivating the executives to remain with the Company for long and productive careers. Named executive officer compensation of the past three years reflects amounts of cash and long-term equity awards consistent with periods of economic stress and lower earnings, and equity incentives aligning with our actions to stabilize the Company and position it for a continued recovery.

We urge shareholders to read the Compensation Discussion and Analysis beginning on page 18 of this proxy statement, as well as the Summary Compensation Table and related compensation tables, notes and narrative, appearing on pages 21 through 27, which provide detailed information on the Company’s compensation policies and practices and the compensation of our named executive officers.

Vote Required

Approval of the advisory vote on executive compensation requires the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the meeting. While this advisory vote on executive compensation is non-binding, the Board and the Compensation Committee will review and consider the voting results when evaluating our executive compensation program. Currently, the Board seeks the shareholders vote on Executive Compensation every two years. The next time the shareholders have an opportunity to vote on this matter is on the proxy for fiscal year 2017.

Board Recommendation

THE COMPANY’S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS ‘FOR’ THE ADVISORY VOTE ON EXECUTIVE COMPENSATION.

PROPOSAL 4

APPROVAL OF THE COMPANY'S 2015 EQUITY INCENTIVE PLAN

On March 31, 2015, subject to shareholder approval, our Board approved and adopted our 2015 Equity Incentive Plan (our 2015 Plan). Among other things, our 2015 Plan: (i) provides us with flexibility to motivate, attract, and retain the services of employees upon whom our success depends and to provide them with an equity interest in our Company in order to motivate superior performance and grants of equity-based awards, including options, stock appreciation rights, restricted stock awards or performance share awards or any other right or interest relating to shares or cash, to eligible participants, and (ii) reserves 1,250,000 shares of common stock for availability for awards under our 2015 Plan. No options or other performance awards, deferred share awards, stock appreciation rights or restricted stock awards are outstanding under our 2015 Plan. Any grants made pursuant to our 2015 Plan will be subject to shareholder approval of the plan and any such conditionally awarded grants may not be exercised prior to such shareholder approval.

The Board of Directors believe the shares available for the issuance of awards under the 2015 Plan is necessary and appropriate to permit the Company to continue to grant officers, other employees, non-employee directors, consultants and advisors equity-based incentives and equity-based compensation. The Board of Directors is seeking shareholder approval of the 2015 Plan because of:

- the desire to preserve cash for product development, research and development;
- the Board of Directors' belief that the Company needs to provide incentive, equity-based compensation to executive officers, other employees, consultants and advisors to incentivize such persons to achieve the Company's product development milestones;
- the need to compensate non-employee directors for service to the Company while preserving cash as much as possible (continuing to pay below-market cash compensation while continuing to align the interests of the non-employee directors with shareholders); and,
- the need to closely re-align the interests of management, directors, employees and consultants with those of shareholders.

The affirmative vote of the holders of a majority of the shares of our common stock present, in person or by proxy, and entitled to vote at our annual meeting of shareholders is required to approve our 2015 Plan. Our 2015 Plan is included as *Appendix A* to this proxy statement.

The principal features of our 2015 Plan are summarized below. This summary is qualified in its entirety by reference to the full text of our 2015 Equity Incentive Plan in *Appendix A* to this proxy statement.

Summary of our 2015 Equity Incentive Plan

General. The purpose of our 2015 Plan is to provide us with flexibility to motivate, attract, and retain the services of employees upon whom our success depends and to provide them with an equity interest in our Company in order to motivate superior performance. Our 2015 Plan currently provides for the grant of equity-based awards, including options, stock appreciation rights, restricted stock awards or performance share awards or any other right or interest relating to shares or cash, to eligible participants.

Shares Subject to our 2015 Plan. The aggregate number of shares reserved and available for award under our 2015 Plan is 1,250,000 (the Share Reserve). Our 2015 Plan contemplates the issuance of common stock upon exercise of options or other awards granted to eligible persons under our 2015 Plan. Shares issued under our 2015 Plan may be both authorized and unissued shares or previously issued shares acquired by us. Upon termination or expiration of an unexercised option, stock appreciation right or other stock-based award under our 2015 Plan, in whole or in part, the number of shares of common stock subject to such award again become available for grant under our 2015 Plan. Any shares of restricted stock forfeited as described below will become available for grant. The maximum number of shares that may be granted to any one participant in any calendar year may not exceed 500,000 shares.

In the event of any change in capitalization of our Company, such as a stock split, merger, consolidation, separation, spin off, or other distribution of stock or property of our Company, any reorganization, any partial or complete liquidation of our Company or any extraordinary cash or stock dividend, the Compensation Committee (the Committee) will make appropriate substitutions or adjustments in the aggregate number and kind of shares reserved for issuance under our 2015 Plan, in the share limitations for awards set forth in our 2015 Plan and in the number of shares subject to an exercise price of outstanding awards, or will make such other equitable substitution or adjustments as it may determine to be appropriate.

Administration. Our 2015 Plan is administered by the Compensation Committee, which has the power to determine the terms and conditions of awards. A majority of the Committee will constitute at quorum. In addition, the Committee has the authority to amend, modify or terminate our 2015 Plan. No action by the Committee may affect any shares previously issued or any award previously granted under our 2015 Plan without the participant's written consent.

Stock Options. Options granted under our 2015 Plan are not generally transferable and must be exercised within 10 years, subject to earlier termination upon termination of the option holder's employment, but in no event later than the expiration of the option's term.

Each option granted under our 2015 Plan must be evidenced by a written agreement between us and the optionee specifying the number of shares subject to the option and the other terms and conditions of the option, consistent with the requirements of our 2015 Plan. The exercise price of each option may not be less than the fair market value of a share of our common stock on the date of grant (except in connection with the assumption or substitution for another option in a manner qualifying under Section 424(a) of the Internal Revenue Code of 1986, as amended (the Code)). Incentive stock options granted to any participant who owns 10% or more of our outstanding common stock (a Ten Percent Shareholder) must have an exercise price equal to or exceeding 110% of the fair market value of a share of our common stock on the date of the grant and must not be exercisable for longer than five years.

Options become vested and exercisable at such times or upon such events and subject to such terms, conditions, performance criteria or restrictions as specified by the Committee. The maximum term of any option granted under our 2015 Plan is ten years, provided that an incentive stock option granted to a Ten Percent Shareholder must have a term not exceeding five years. Unless otherwise determined by the Committee, an option generally will remain exercisable for 90 days following the optionee's termination of service, except that if service terminates as a result of the optionee's normal retirement, death or disability, the option generally will remain exercisable for its remaining term. The Committee, in its discretion, may provide longer post-termination exercise periods, but in any event the option must be exercised no later than its expiration date.

Stock options are not assignable or transferable by the optionee other than by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Committee, in its discretion, and as set forth in the option award agreement, an option is assignable or transferable subject to the applicable limitations described in the General Instructions to Form S-8 Registration Statement under the Securities Act of 1933 (which includes transfers to family members, family trusts or pursuant to domestic relations orders, but excludes transfers of options for consideration).

Performance Awards. Under our 2015 Plan, a participant may also be awarded a "performance award," which means that the participant may receive cash, stock or other awards contingent upon achieving performance goals established by the Committee. The Committee may also make "deferred share" awards, which entitle the participant to receive our stock in the future for services performed between the date of the award and the date the participant may receive the stock. The vesting of deferred share awards may be based on performance criteria and/or continued service with our Company. A participant who is granted a "stock appreciation right" under the Plan has the right to receive all or a percentage of the fair market value of a share of stock on the date of exercise of the stock appreciation right minus the grant price of the stock appreciation right determined by the Committee (but in no event less than the fair market value of the stock on the date of grant). Finally, the Committee may make "restricted stock" awards under our 2015 Plan, which are subject to such terms and conditions as the Committee determines and as are set forth in the award agreement related to the restricted stock. Unless the Committee otherwise provides, upon termination of a participant's employment during the period when the restrictions apply, the participant's restricted stock is forfeited to us.

Section 162(m) of the Code limits our federal income tax deduction for compensation paid to our Chief Executive Officer and our three most highly paid executive officers (other than the Chief Financial Officer) for the applicable taxable year. The limit is \$1,000,000 per officer per year, with certain exceptions. This deductibility cap does not apply to "performance-based compensation," if approved in advance by our shareholders. Our 2015 Plan provides that all or a portion of an award that is subject to performance-based vesting may be designed to qualify as deductible "performance-based compensation." The performance criteria for that portion of any award that is intended to qualify as deductible performance-based compensation will be a measure based on performance criteria, either individually, alternatively or in any combination, applied to either our Company as a whole or to a subsidiary, division or other area of our Company, and measured either annually or cumulatively over a period of years, not to exceed five years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Committee which may include the following: Awards other than Options and SARs made pursuant to the Plan may be made subject to the attainment of performance goals relating to one or more: (a) cash flow; (b) earnings (including gross margin, earnings before interest and taxes ("EBIT"), earnings before taxes ("EBT"), earnings before interest, taxes, depreciation, amortization and stock option expense ("EBITDASO"), and net earnings); (c) ethical conduct; (d) market share; (e) earnings per share; (f) growth in earnings or earnings per share; (g) stock price; (h) return on equity or average shareholders' equity; (i) total shareholder return; (j) return on capital; (k) return on assets or net assets; (l) return on investment; (m) revenue; (n) income or net income; (o) operating income or net operating income; (p) operating profit or net operating profit; (q) operating margin; (r) return on operating revenue; (s) overhead or other expense reduction; (t) growth in shareholder value relative to the two-year moving average of the S&P 500 Index; (u) growth in shareholder value relative to the two-year moving average of the Dow Jones Industrial Average; (v) credit rating; (w) strategic plan development and implementation; (x) succession plan development and implementation; (y) retention of executive talent; (z) improvement in workforce diversity; (aa) return on average shareholders' equity relative to the ten year treasury yield; (bb) capital resource management plan development and implementation; (cc) improved internal financial controls plan development and implementation; (dd) corporate tax savings; (ee) corporate cost of capital reduction; (ff) investor relations program development and implementation; (gg) corporate relations program development and implementation; (hh) executive performance plan development and implementation; and (ii) tax provision rate for financial statement purposes. The Committee may adjust the performance results to take into account extraordinary, unusual, non-recurring, or non-comparable items. No award of restricted stock, deferred stock or other awards granted under our 2012 Plan (other than stock options and stock appreciation rights) that is intended to satisfy the requirements for "performance based compensation" under Section 162(m) of the Code will be payable unless the Committee certifies in writing that the applicable performance goals have been satisfied.

Change in Control. In the event of certain changes in control of NetSol Technologies, the Committee has the discretion to provide that any award under our 2015 Plan that may be exercised will become fully vested and exercisable, and/or that all restrictions on any awards under our 2015 Plan will lapse as the Committee determines, which may be prior to the change of control.

Termination or Amendment. Our 2015 Plan will continue in effect until the first to occur of (i) its termination by the Committee or (ii) the date on which all shares available for issuance under our 2012 Plan have been issued and all restrictions on such shares under the terms of our 2015 Plan and the agreements evidencing awards granted under our 2015 Plan have lapsed. However, no incentive stock option may be granted under our 2012 Plan after February 24, 2021.

The Committee may terminate or amend our 2015 Plan at any time, provided that without shareholder approval, our 2015 Plan cannot be amended to increase the Share Reserve, change the class of persons eligible to receive incentive stock options or effect any other change that would require shareholder approval under any applicable law. No termination or amendment may affect any outstanding award unless expressly provided by the Committee, and, in any event, may not adversely affect an outstanding award without the consent of the participant unless necessary to comply with any applicable law.

The foregoing summary of certain provisions of our 2015 Plan is qualified by reference to the text of our 2015 Plan attached as *Appendix A* to this proxy statement.

Summary of Federal Income Tax Consequences of our 2015 Plan

The following summary describes the typical U.S. federal income tax consequences of awards granted under our 2015 Plan based upon provisions of the Code, as in effect on the date hereof, current regulations promulgated and proposed thereunder, and existing public and private administrative rulings of the Code, all of which are subject to change (possibly with retroactive effect). This is not intended to be a complete analysis and discussion of the federal income tax treatment of awards under our 2015 Plan, and does not discuss estate or gift taxes or the income tax laws of any municipality, state, or foreign country. Our Company generally will be entitled to withhold any required taxes in connection with the exercise or payment of an award, and may require the participant to pay such taxes as a condition to exercise of an award.

Stock Options. ISOs and non-qualified stock options (NQSOs) are treated differently for federal income tax purposes. ISOs are intended to satisfy the requirements of Section 422 of the Code. NQSOs need not satisfy such requirements.

A participant is not taxed on the grant or, except as described in the next sentence, the exercise of an ISO. The difference between the exercise price and the fair market value of the shares on the exercise date, however, will be a preference item for purposes of the alternative minimum tax, and thus a participant could be subject to the alternative minimum tax as a result of the exercise of an ISO. If a participant holds the shares acquired upon exercise of an ISO for at least two years following the option grant date and at least one year following exercise, the participant's gain, if any, upon a subsequent disposition of such shares is long-term capital gain. The measure of the gain is the difference between the proceeds received on disposition and the participant's basis in the shares (which generally equals the exercise price).

If a participant disposes of shares acquired pursuant to exercise of an ISO before satisfying the one and two-year holding periods described above, then: (i) if the proceeds received exceed the exercise price of the ISO, the participant will recognize capital gain equal to the excess, if any, of the proceeds received over the fair market value of the shares on the date of exercise, and will recognize ordinary income equal to the excess, if any, of the lesser of the proceeds received or the fair market value of the shares on the date of exercise over the exercise price of the ISO; or (ii) if the proceeds received are less than the exercise price of the ISO, the participant will recognize a capital loss equal to the excess of the exercise price of the ISO over the proceeds received. Capital gains recognized upon a disqualifying disposition will be taxable as long term capital gains if the participant held the shares for more than one year after the exercise of the ISO, or otherwise as short-term capital gains if the participant held the shares for less than one year after the exercise of the ISO. Capital losses recognized upon a disqualifying disposition will offset long term capital gains if the participant held the shares for more than one year after the exercise of the ISO, or otherwise will offset up to \$3,000 of long-term or short-term capital gains each year with the remainder carried forward if the participant held the shares for less than one year after the exercise of the ISO.

Our Company is not entitled to an income tax deduction on the grant or exercise of an ISO or on the participant's disposition of the shares after satisfying the holding period requirements described above. If the holding periods are not satisfied, our Company will be entitled to a deduction in the year the participant disposes of the shares in an amount equal to the ordinary income recognized by the participant.

The recipient of an NQSO will not realize any taxable income upon the grant of the option. Upon exercise of such option, the participant will realize ordinary income in an amount generally measured by the excess, if any, of the fair market value of the shares on the date of exercise over the option exercise price. Our Company will generally be entitled to a deduction in the same amount as the ordinary income realized by the participant. Upon the sale of such shares, the participant will realize short-term or long-term capital gain or loss, depending upon the length of time the shares are held. Such gain or loss will be measured by the difference between the sale price of the shares and the fair market value on the date of exercise. Special rules will apply in cases where a recipient of an award pays the exercise or purchase price of the award or applicable withholding tax obligations under our 2011 Plan by delivering previously owned shares or by reducing the number of shares otherwise issuable pursuant to the award. The surrender or withholding of such shares will in certain circumstances result in the recognition of income with respect to such shares or a carryover basis in the shares acquired, and may constitute a disposition for purposes of applying the ISO holding periods discussed above.

Stock Appreciation Rights. There will be no federal income tax consequences to either the participant or our Company on the grant of a stock appreciation right or while the right remains outstanding. Upon the exercise of such right, the participant will recognize ordinary income in an amount equal to the amount of cash and/or the fair market value, at the date of such exercise, of the shares received by such participant as a result of such exercise. Our Company will generally be entitled to a corresponding tax deduction.

Restricted Stock. The federal income tax consequences of a grant of restricted stock depend upon whether or not a participant elects to be taxed at the time of the grant of such shares under Section 83(b) of the Code (an 83(b) election). If no 83(b) election is made, the participant will not recognize taxable income at the time of the grant of the restricted stock. When the restrictions on the shares lapse, the participant will recognize ordinary taxable income in an amount equal to the fair market value of the restricted stock at that time. If the 83(b) election is made, the participant will recognize taxable income at the time of the grant of restricted stock in an amount equal to the fair market value of such shares at that time, determined without regard to any of the restrictions. If the shares are forfeited before the restrictions lapse, the participant will be entitled to no deduction on account thereof.

The participant's tax basis in the restricted stock is the amount recognized by him or her as income attributable to such shares. Gain or loss recognized by the participant on a subsequent disposition of any such shares is capital gain or loss if the shares are otherwise capital assets.

Our Company will be entitled to a tax deduction in the same amount as the income recognized by the participant as a result of the grant of restricted stock or lapse of restrictions in the taxable year in which the participant recognizes such income.

Deferred Stock/Other Stock Awards. Participants will not have taxable income upon the grant of deferred stock or other stock awards. Recognition of taxable income is postponed until the restrictions on the awards lapse. At that time, the participant will recognize taxable income equal to the then fair market value of the shares or other property issuable in payment of such award, and such amount will be the tax basis for such shares. Our Company will be entitled to a tax deduction in the same amount as the income recognized by the participant as a result of the lapse of restrictions in the taxable year in which the participant recognizes such income.

Other Tax Issues. As noted above, Section 162(m) of the Code limits our federal income tax deduction for compensation paid to the Chief Executive Officer and any of the three other most highly compensated executive officers (other than the Chief Financial Officer) for the applicable taxable year. In certain instances, our Company may be denied a compensation deduction for awards granted to certain executive officers that do not qualify as "performance-based compensation" to the extent their aggregate compensation exceeds \$1,000,000 in a given year.

As noted above, the Committee may, in its sole discretion, accelerate the payment or vesting or release any restrictions on any awards in the event of a change in control of our Company (as defined in our 2008 Plan) or in the event of certain tender offers. If a participant's award vests because of a change in (i) the ownership or effective control of our Company or (ii) the ownership of a substantial portion of the assets of our Company and the participant is an officer, shareholder or highly-compensated employee of our Company, such acceleration could be subject to the "golden parachute" provisions of Sections 280G and 4999 of the Code. In that event, our Company could be denied all or part of its tax deduction and the participant could be subject to excise tax.

New Plan Benefits. No grants have been made under the 2015 Plan that are subject to stockholder approval at the Annual Meeting. It is not possible at present to predict the number of grants that will be made or who will receive any such grants under the Plan after the Annual Meeting.

Compensation Philosophy and Objectives

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns executives’ interests with those of the stockholders by rewarding performance at or above established goals, with the ultimate objective of increasing stockholder value. The philosophy of the Compensation Committee is to evaluate both performance and compensation to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To that end, the Compensation Committee believes executive compensation packages should include both cash and equity-based compensation that reward performance as measured against established goals.

Setting Executive Compensation

Management develops our compensation plans by utilizing publicly available compensation data in the media services and technology industries. We believe that the practices of these groups of companies provide us with appropriate compensation benchmarks, because these groups of companies are in similar businesses and tend to compete with us for executives and other employees. For benchmarking executive compensation, we typically review the compensation data we have collected from these groups of companies, as well as a subset of the data from those companies that have a similar number of employees as the Company. The Compensation Committee has determined to utilize the services of a consultant for purposes of comparing our compensation program with similarly situated companies in like industries. The recommendations of these consultants will be utilized by the Committee in determining the appropriate compensation packages. While these consultants may make general recommendations about the size and components of compensation, we anticipate our philosophy to continue on the basis of a pay-for-performance philosophy.

Based on management's analyses and recommendations, the Compensation Committee has approved a pay-for-performance compensation philosophy, which is intended to establish base salaries and total executive compensation (taking into consideration the executive's experience and abilities) that are competitive with those companies with a similar number of employees represented in the compensation data we review.

We work within the framework of this pay-for-performance compensation philosophy to determine each component of an executive's initial compensation package based on numerous factors, including:

- The individual's particular background, track record and circumstances, including training and prior relevant work experience;
- The individual's role with us and the compensation paid to similar persons in the companies represented in the compensation data that we review;
- The demand for individuals with the individual's specific expertise and experience;
- Performance goals and other expectations for the position; and,
- Uniqueness of industry skills.

The terms of each executive officer's compensation are derived from employment agreements negotiated between the Company and the executive. Each executive's employment agreement is generally negotiated to cover a one to three-year period, and prescribes the base salary and other annual payments, if any, to the executive. Employment agreements for all executive officers are approved by the Board of Directors and the Compensation Committee. Employment agreements for other executives are approved by the Company's Chief Executive Officer.

2014 Executive Compensation Components

For the fiscal year ended June 30, 2014, the principal components of compensation that our named executive officers were eligible to receive were:

- Base salary;
- Long Term Equity Incentive Compensation;
- Performance-based incentive compensation (discretionary bonus); and,
- Perquisites and other personal benefits.

Base Salary

An executive's base salary is evaluated together with components of the executive's other compensation to ensure that the executive's total compensation is consistent with our overall compensation philosophy.

The base salaries were established in arms-length negotiations between the executive and the Company, taking into account their extensive experience, knowledge of the industry, track record, and achievements on behalf of the Company.

Base salaries are adjusted annually by the Compensation Committee. As of June 30, 201, the annual review had not been completed and annual adjustments had not occurred.

Annual Bonus

Our compensation program includes eligibility for bonuses as rewarded by the Compensation Committee. All executives are eligible for annual performance-based cash bonuses in accordance with Company policies. The compensation committee takes into consideration the executive's performance during the previous year to determine eligibility for discretionary bonuses. Further, the compensation committee will review, if applicable, the performance criteria set forth in an executive's previous year's agreement and will determine if the executive has met such criteria in order to achieve the bonus. The Company's bonus criteria at the executive management level, is typically based on a gross revenue and per share profit targets.

Long-Term Equity Incentive Compensation

We believe that long-term performance is achieved through an ownership culture that encourages long-term participation by our executives in equity-based awards. Our various Employee Stock Option Plans allow us to grant stock options to employees. We currently make initial equity awards of stock options to new executives and certain non-executive employees in connection with their employment with the Company. Annual grants of options, if any, are approved by the Compensation Committee.

Equity Incentives. Executives, certain non-executive employees, and directors who join us may be awarded stock awards and/or stock option grants after they join the Company. These grants have an exercise price equal to the fair market value of our common stock on the grant date. Such awards are intended to provide the executive with incentive to build value in the organization over an extended period of time. The size of the stock option award is also reviewed in light of the executive's track record, base salary, other compensation and other factors to ensure that the executive's total compensation is in line with our overall compensation philosophy. A review of all components of compensation is conducted when determining equity awards to ensure that total compensation conforms to our overall philosophy and objectives.

Equity incentives provided to executives are determined by the Fair Market Value of our common stock on the grant date were provided to the executives as an adjustment of their overall compensation while taking in to account the need to continue to incentivize the executive to build value in the organization. Each executive's stock award was based on an analysis of the Compensation Committee of an appropriate overall cash compensation for each individual taking into account their position and compensation at similarly situated companies. Each executive's stock award was based on a desired overall compensation cash value less the base salary as approved by the Compensation Committee.

Perquisites and Other Personal Benefits

We provide named executive officers with perquisites and other personal benefits that we believe are reasonable and consistent with our overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to executive officers.

We maintain benefits and perquisites that are offered to all employees, including health insurance and dental insurance. Benefits and perquisites may vary in different country locations and are consistent with local practices and regulations.

Termination Based Compensation

Upon termination of employment, all executive officers with a written employment agreement are entitled to receive severance payments under their employment agreements. In determining whether to approve, and as part of the process of setting the terms of, such severance arrangements, the Compensation Committee recognizes that executives and officers often face challenges securing new employment following termination. Further, the Committee recognizes that many of the named executives and officers have participated in the Company since its founding and that this participation has not resulted in a return on their investments. Termination and Change in Control Payments considered both the risk and the dedication of these executives' service to the Company.

Our Chief Executive Officer has an employment agreement that provides, if his employment is terminated without cause or if the executive terminates the agreement with Good Reason, he is entitled to (a) all remaining salary to the end of the date of termination, plus salary from the end of the employment term through the end of the fourth anniversary of the date of termination, and (b) the continuation by the Company of medical and dental insurance coverage for him and his family until the end of the employment term and through the end of the fourth anniversary of the date of termination. Provided, however, if such benefits cannot be continued for this extended period, the Executive shall receive cash (including a tax-equivalency payment for Federal, state and local income and payroll taxes assuming Executive is in the maximum tax bracket for all such purposes) where such benefits may not be continued. These agreements further provide for vesting of all options and restrictive stock grants, if any.

Our Chief Accounting Officer has an employment agreement that provides, if his employment is terminated without cause or if the executive terminates the agreement with Good Reason, he is entitled to (a) all remaining salary to the end of the date of termination, plus salary from the end of the employment term through the end of the second anniversary of the date of termination, and (b) the continuation by the Company of medical and dental insurance coverage for him and his family until the end of the employment term and through the end of the second anniversary from the date of termination. Provided, however, if such benefits cannot be continued for this extended period, the Executive shall receive cash (including a tax-equivalency payment for Federal, state and local income and payroll taxes assuming Executive is in the maximum tax bracket for all such purposes) where such benefits may not be continued. These agreements further provide for vesting of all options and restrictive stock grants, if any.

The Secretary of the Company has an employment agreement that provides, if she is terminated without cause or if the executive terminates the agreement with Good Reason, she is entitled to (a) all remaining salary to the end of the date of termination, plus salary from the end of the employment term through the end of the second anniversary of the date of termination, and (b) the continuation by the Company of medical and dental insurance coverage for her and her family until the end of the employment term and through the end of the second anniversary of the date of termination. Provided, however, if such benefits cannot be continued for this extended period, the Executive shall receive cash (including a tax-equivalency payment for Federal, state and local income and payroll taxes assuming Executive is in the maximum tax bracket for all such purposes) where such benefits may not be continued. These agreements further provide for vesting of all options and restrictive stock grants, if any.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. We believe that compensation paid under the management incentive plans is generally fully deductible for federal income tax purposes.

Accounting for Stock-Based Compensation

Commencing on July 1, 2006, we began accounting for stock-based payments, including awards under our Employee Stock Option Plans, in accordance with the requirements of Statement of Financial Accounting Standards No. 123 (revised 2004), *Share-Based Payment*, or SFAS 123(R).

The Company's 2015 annual meeting of shareholders is expected to be held on or about May 1, 2016 and proxy materials in connection with that meeting are expected to be mailed on or about February 1, 2016. The Company must receive stockholder proposals prepared in accordance with the proxy rules by December 1, 2015.

A proposal which is received after that date or which otherwise fails to meet the requirements for stockholder proposals established by the SEC will not be included. The submission of a stockholder proposal does not guarantee that it will be included in the proxy statement.

FILINGS UNDER SECTION 16(A)

Section 16(a) of the Exchange Act requires the Company's directors and officers, and persons holding ten percent or more of a registered class of the Company's equity securities, to file reports regarding their ownership and regarding their acquisitions and dispositions of the Company's equity securities with the Securities and Exchange Commission. Legal Proceedings

As previously disclosed, on July 25, 2014, a federal securities class action lawsuit entitled *Rand-Heart of New York, Inc. v. NetSol Technologies, Inc., et al.*, U.S.D.C. Case No. 2:14-cv-5787 (SHx) (C.D. Cal.), was filed against the company and certain executives, along with related complaint. The complaints alleged generally that the Company violated certain federal securities laws by making false and/or misleading statements regarding the Company's products, including business prospects for its next generation product, NFS Ascent. The Court subsequently appointed a Lead Plaintiff, which filed a Consolidated Complaint. On March 19, 2015, the District Court granted the Company's motion to dismiss the Consolidated Complaint, but provided the Lead Plaintiff the opportunity to file an amended complaint. On March 31, 2015, Lead Plaintiff filed a First Amended Consolidated Complaint, which includes similar allegations that the defendants made false and/or misleading statements about the prospects for the next generation product. The Company intends to file a motion to dismiss this amended complaint as well, and continues to believe the lawsuit is meritless. Given the early stage of the litigation, however, at this time the Company is unable to form a professional judgment that an unfavorable outcome is either probable or remote, and it is not possible to assess whether or not the outcome of these proceedings will or will not have material adverse effect on the Company.

OTHER MATTERS

The Board of Directors of the Company does not intend to present any business at the Annual Meeting other than the matters specifically set forth in this Proxy Statement and knows of no other business to come before the Annual Meeting. However, on all matters properly brought before the Annual Meeting by the Board or by others, the persons named as proxies in the accompanying proxy will vote in accordance with their best judgment.

ALL SHAREHOLDERS ARE REQUESTED TO SIGN AND MAIL PROXIES, VOTE VIA TELEPHONE OR VOTE VIA THE INTERNET PROMPTLY.

The Committee is authorized to grant Options to Participants in such amounts as it deems appropriate in its discretion and subject to such conditions and based on such criteria as it may deem advisable (including performance based criteria or conditions) consistent with the other terms of the Plan and the following:

(a) Exercise Price. The exercise price per share of Stock under an Option shall be determined by the Committee but shall not be less than the Fair Market Value as of the date of the grant.

(b) Time and Conditions of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part. The Committee also shall determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised.

The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, shares of Stock, or other property (including "cashless exercise" arrangements), and the methods by which shares of Stock shall be delivered or deemed to be delivered to Participants. (d) Evidence of Grant. All Options shall be evidenced by a written Award Agreement between the Company and the Participant. The Award Agreement shall include such provisions as may be specified by the Committee.

(e) Dividend Equivalents. Any Option may provide for the payment of dividend equivalents to the Participant on a current, deferred or contingent basis or may provide that Dividend Equivalents be credited against the option price. The right to Dividend Equivalents, if so provided, shall be evidenced in the Award Agreement. Any such right shall be structured in a manner that complies with Section 409A of the Code.

(c) Lapse of Option. An Option shall lapse under the following circumstances:

(1) A vested Option shall lapse according to the Stock Option Agreement entered into by the Participant and according to this Plan, provided, however, that vested Incentive Stock Options not exercised within three months after the Participant's termination of employment shall be treated as Non-Qualified Stock Options as defined by the Code.

(2) If the Participant becomes disabled within the meaning of Disability under Section 3.1(g) of the Plan, then the Option will lapse twelve (12) months after employment ceased due to the Disability.

(3) If the Participant dies before the Option lapses pursuant to paragraph (1), (2) or (3) or before its original expiration as indicated above, the Incentive Stock Option shall lapse, unless it is previously exercised, on the date on which the Option would have lapsed had the Participant lived and had his employment status (i.e., whether the Participant was employed by the Company on the date of his death or had previously terminated employment) remained unchanged. Upon the Participant's death, any exercisable Incentive Stock Options may be exercised by the Participant's legal representative or representatives, by the person or persons entitled to do so under the Participant's last will and testament, or, if the Participant shall fail to make testamentary disposition of such Incentive Stock Options or shall die intestate, by the person or persons entitled to receive such Incentive Stock Options under the applicable laws of descent and distribution.

(d) Individual Dollar Limitation. The aggregate Fair Market Value (determined at the time an Award is made) of all shares of Stock with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00.

(e) Ten Percent Owners. No Incentive Stock Option shall be granted to any individual who, at the date of grant, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company unless the exercise price per share of such Option is at least 110% of the Fair Market Value per share of Stock at the date of grant and the Option expires no later than five (5) years after the date of grant.

(f) Expiration of Incentive Stock Options. No Award of an Incentive Stock Option may be made pursuant to the Plan after the day immediately prior to the tenth anniversary of the original Effective Date (i.e., March 31, 2015).

(g) Right to Exercise. During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant.

(h) Grants only to Employees. Incentive Stock Options may be granted only to employees of the Company.

(1) The Fair Market Value of one share of Stock on the date of exercise, minus,

(2) The grant price of the SAR as determined by the Committee. The grant price of the SAR shall not be less than the Fair Market Value of one share of Stock on the date of grant.

(b) Tandem Awards. SARs may be granted alone or in tandem with options. If a SAR is granted in tandem with an option, the SAR may only be exercised at a time when the related option is exercisable and the difference between the Fair Market Value and the grant price is a positive number. The exercise of the tandem SAR requires the surrender of the related option for cancellation.

(c) Other Terms. All awards of SARs shall be evidenced by an Award Agreement. The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any SAR shall be determined by the Committee at the time of the grant of the Award and shall be reflected in the Award Agreement. The grant of any SAR may include the right to Dividend Equivalents as described in Section 7.1(e).

**ARTICLE 9
PERFORMANCE AWARDS**

9.1 Grant of Performance Awards.

The Committee is authorized to grant Performance Awards to Participants on such terms and conditions as may be selected by the Committee (which may include Performance Criteria). The Committee shall have the complete discretion to determine the number of Performance Awards granted to each Participant. All grants of Performance Awards shall be evidenced by an Award Agreement.

9.2 Right to Payment.

A grant of Performance Awards gives the Participant rights, valued as determined by the Committee, and payable to, or exercisable by, the Participant to whom the Performance Awards are granted, in whole or in part, as the Committee shall establish at grant or thereafter. The Committee shall set performance goals and other terms or conditions to payment of the Performance Awards in its discretion which, depending on the extent to which they are met, will determine the number and value of Performance Shares that will be paid to the Participant.

9.3 Other Terms.

Performance Awards may be payable in cash, Stock, or other property, and have such other terms and conditions as determined by the Committee and reflected in the Award Agreement.

**ARTICLE 10
RESTRICTED STOCK AWARDS**

10.1 Grant of Restricted Stock.

The Committee is authorized to make Awards of Restricted Stock to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee. All Awards of Restricted Stock shall be evidenced by a Restricted Stock Award Agreement.

10.2 Issuance and Restrictions.

Restricted Stock shall be subject to such restrictions as the Committee may choose to impose. These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. An award of Restricted Stock will provide the Participant with voting, dividend and other ownership rights provided in the Award Agreement.

10.3 Forfeiture.

Except as otherwise determined by the Committee at the time of the grant of the Award or thereafter, upon termination of employment during the applicable restriction period, Restricted Stock, that is at that time subject to restrictions, shall be forfeited and reacquired by the Company; provided, however, that the Committee may provide in any Award Agreement that restrictions or forfeiture

conditions relating to Restricted Stock will be waived in whole or in part in the event of termination resulting from any specified cause, and the Committee may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock.

10.4 Certificates for Restricted Stock.

Restricted Stock granted under the Plan may be evidenced in such manner as the Committee shall determine. If certificates representing shares of Restricted Stock are registered in the name of the Participant, certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock, and the Company shall retain physical possession of the certificate until such time as all applicable restrictions lapse.

**ARTICLE 10A
DEFERRED SHARES**

10A.1 Deferred Shares.

The Committee is authorized to make Awards of Deferred Shares to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee. A Deferred Share Award shall entitle the Participant to receive Stock from the Company in the future in consideration for services performed during the Deferral Period. All services required of the Participant for receipt of the Deferred Share shall be evidenced by an Award Agreement.

10A.2 Deferral Period.

The "Deferral Period" means the time period mandated by the Award Agreement during which specified services are to be performed by the Participant that will merit receipt of the Deferred Shares.

10A.3 Other Conditions.

The Committee may authorize Dividend Equivalents, defined under Section 7.1(e), to be provided on or after the date of any grant under this Section. During the Deferral Period the Participant has no right to transfer any rights covered by the Award and no right to vote the Stock.

The grant of any Deferred Shares may require the payment of additional consideration. However, in no case shall the additional consideration exceed the Fair Market Value of the Shares on the date of grant.

**ARTICLE 11
PROVISIONS APPLICABLE TO AWARDS**

11.1 Stand-Alone, Tandem, and Substitute Awards.

Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for, any other Award granted under the Plan. If an Award is granted in substitution for another Award, the Committee may require the surrender of such other Award in consideration of the grant of the new Award. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

11.2 Exchange Provisions.

The Committee may at any time offer to exchange or buy out any previously granted Award for a payment in cash, Stock, or another Award (subject to Section 12.1), based on the terms and conditions the Committee determines and communicates to the Participant at the time the offer is made.

11.3 Term of Award.

The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Incentive Stock Option or a Stock Appreciation Right granted in tandem with the Incentive Stock Option exceed a period of ten years from the date of its grant.

11.4 Form of Payment for Awards.

Subject to the terms of the Plan, the Award Agreement or any applicable law, payments or transfers to be made by the Company on the grant or exercise of an Award may be made in such form as the Committee determines at or after the time of grant, including without limitation, cash, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

11.5 Limits on Transfer.

No right or interest of a Participant in any Award may be encumbered or pledged to or in favor of any party other than the Company, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company. No Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a qualified domestic relations order as defined in Section 414(p)(1)(B) of the Code, if the order satisfies Section 414(p)(1)(A) of the Code.

11.6 Beneficiaries.

Notwithstanding Section 13.5, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married, a designation of a person other than the Participant's spouse as his beneficiary with respect to more than 50 percent of the Participant's interest in the Award shall not be effective without the written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto under the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

11.7 Stock Certificates.

All Stock certificates delivered under the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock.

11.8 Acceleration Upon Death or Disability.

Notwithstanding any other provision in the Plan or any Participant's Award Agreement to the contrary, upon the Participant's death or Disability, all outstanding Options, Stock Appreciation Rights, and other Awards in the nature of rights that may be exercised shall become fully exercisable and all restrictions on outstanding Awards shall lapse. Any Option or Stock Appreciation Rights Awards shall then lapse in accordance with the other provisions of the Plan and the Award Agreement unless the options have been exercised in full or in part within 60 days of death or disability. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(d), the excess Options shall be deemed to be Non-Qualified Stock Options.

11.9 Acceleration Upon Certain Events.

In the event of (i) the commencement of a public tender offer for all or any portion of the Stock, (ii) a proposal to merge, consolidate or otherwise combine with another company is submitted to the shareholders of the Company for approval, or (iii) the Board approves any transaction or event that would constitute a change of control of the Company of a nature that would be required to be reported in response to Item 6(e) of Schedule 14A of the 1934 Act, the Committee may in its sole discretion declare all outstanding Options, Stock Appreciation Rights, and other Awards in the nature of rights that may be exercised to become fully exercisable, and/or all restrictions on all outstanding Awards to lapse, in each case as of such date as the Committee may, in its sole discretion, declare, which may be on or before the consummation of such tender offer or other transaction or event. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(d), the excess Options shall be deemed to be Non-Qualified Stock Options.

11.10 Performance Criteria.

Awards other than Options and SARs made pursuant to the Plan may be made subject to the attainment of performance goals relating to one or more business criteria within the meaning of Section 162(m) of the Code. For purposes of this Plan, such business criteria shall mean any one or more of the following performance criteria, either individually, alternatively or in any combination, applied to either the Company as a whole or to a subsidiary, division or other area of the Company, and measured either annually or cumulatively over a period of years, not to exceed five years, on an absolute basis or relative to a pre-established target, to previous years' results or to a designated comparison group, in each case as specified by the Committee: (a) cash flow; (b) earnings (including gross margin, earnings before interest and taxes ("EBIT"), earnings before taxes ("EBT"), earnings before interest, taxes, depreciation, amortization and stock option expense ("EBITDASO"), and net earnings); (c) ethical conduct; (d) market share; (e) earnings per share; (f) growth in earnings or earnings per share; (g) stock price; (h) return on equity or average shareholders' equity; (i) total shareholder return; (j) return on capital; (k) return on assets or net assets; (l) return on investment; (m) revenue; (n) income or net income; (o) operating income or net operating income; (p) operating profit or net operating profit; (q) operating margin; (r) return on operating revenue; (s) overhead or other expense reduction; (t) growth in shareholder value relative to the two-year moving average of the S&P 500 Index; (u) growth in shareholder value relative to the two-year moving average of the Dow Jones Industrial Average; (v) credit rating; (w) strategic plan development and implementation; (x) succession plan development and implementation; (y) retention of executive talent; (z) improvement in workforce diversity; (aa) return on average shareholders' equity relative to the ten year treasury yield; (bb) capital resource management plan development and implementation; (cc) improved internal financial controls plan development and implementation; (dd) corporate tax savings; (ee) corporate cost of capital reduction; (ff) investor relations program development and implementation; (gg) corporate relations program development and implementation; (hh) executive performance plan development and implementation; and (ii) tax provision rate for financial statement purposes. The Committee may adjust the performance results to take into account extraordinary, unusual, non-recurring, or non-comparable items. No Award (other than Options and SARs) that is intended to satisfy the requirements for "performance based compensation" under Section 162(m) of the Code will be payable unless the Committee certifies in writing that the applicable performance goals have been satisfied.

ARTICLE 12 CHANGES IN CAPITAL STRUCTURE

12.1 General.

In the event a stock dividend is declared upon the Stock, the shares of Stock then subject to each Award shall be increased

proportionately without any change in the aggregate purchase price therefor. In the event of any change in the number of outstanding shares of Stock, the maximum aggregate number of shares of Stock available for Awards shall be adjusted proportionately. In the event the Stock shall be changed into or exchanged for a different number or class of shares of stock or securities of the Company or of another company, whether through reorganization, recapitalization, stock split, reverse stock split, combination of shares, merger or consolidation, there shall be substituted for each such share of Stock then subject to each Award the number and class of shares into which each outstanding share of Stock shall be so exchanged. The Committee shall make such adjustments to the aggregate purchase price for the shares then subject to each Award as it deems necessary or advisable to put Participants in the same relative position after such change in capital structure as before such change.

**ARTICLE 13
AMENDMENT, MODIFICATION AND TERMINATION**

13.1 Amendment, Modification and Termination.

With the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; provided, however, that no amendment of the Plan may be made without approval of the shareholders of the Company as may be required by the Code, by the insider trading rules of Section 16 of the 1934 Act, by any national securities exchange or automated quotation system on which the Stock is listed or reported.

13.2 Awards Previously Granted.

No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant.

**ARTICLE 14
GENERAL PROVISIONS**

14.1 No Rights to Awards.

No Participant or employee shall have any claim to be granted any Award under the Plan, and neither the Company nor the Committee is obligated to treat Participants and employees uniformly.

14.2 No shareholder Rights.

No Award gives the Participant any of the rights of a shareholder of the Company unless and until shares of Stock are in fact issued to such person in connection with such Award.

14.3 Withholding.

The Company shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant's FICA obligation) required by law to be withheld with respect to any taxable event arising as a result of the Plan. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is granted or thereafter, require that any such withholding requirement be satisfied, in whole or in part, by withholding shares of Stock having a Fair Market Value on the date of withholding equal to the amount to be withheld for tax purposes, all in accordance with such procedures as the Committee establishes.

14.4 No Right to Employment.

Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

14.5 Unfunded Status of Awards.

The Plan is intended to be an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company.

14.6 Indemnification.

To the extent allowable under applicable law, each member of the Committee shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which such member may be a party or in which he may be involved by reason of any action or failure to act under the Plan and against and from any and all amounts paid by such member in satisfaction of judgment in such action, suit, or proceeding against him provided he gives the Company an opportunity, at its own expense, to handle and defend the same before he undertakes to handle and defend it on his own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Bylaws of the Company or as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

14.7 Relationship to Other Benefits.

No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company.

14.8 Expenses.

The expenses of administering the Plan shall be borne by the Company.

14.9 Titles and Headings.

The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

14.10 Gender and Number.

Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

14.11 Fractional Shares.

No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up.

14.12 Securities Law Compliance.

With respect to any person who is, on the relevant date, obligated to file reports under Section 16 of the 1934 Act, transactions under the Plan are intended to comply with Rule 16b-3(d) as transactions between the Company and its officers or directors. To the extent any provision of the Plan or action by the Committee fails to so comply, it shall be void to the extent permitted by law and voidable as deemed advisable by the Committee.

14.13 Government and Other Regulations.

The obligation of the Company to make payment of awards in Stock or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register under the 1933 Act, any of the shares of Stock paid under the Plan. If the shares paid under the Plan may in certain circumstances be exempt from registration under the 1933 Act, the Company may restrict the transfer of such shares in such manner as it deems advisable to ensure the availability of any such exemption.

14.14 Governing Law.

To the extent not governed by federal law, the Plan and all Award Agreements shall be construed in accordance with and governed by the laws of the state of California.
