## EXPLANATORY NOTE

May 2, 2017

Dear Valued Shareholder:

We delivered strong financial performance for fiscal year 2016 highlighted by record revenue of \$64.6 million, representing 26% growth, adjusted EBITDA of \$10.1 million, and GAAP net income of \$3.4 million. Our 2016 results reflect solid demand for our solutions, the investments we made to drive deeper penetration of our products and services in the market, and a commitment to execution and service excellence by the entire NetSol team.

In fiscal 2017, I am pleased to say that the fundamental growth drivers of our business remain strong. Our new business pipeline continues to expand across our solution set and geographies and we are increasingly being viewed as a partner of choice in our target markets. Of course, a key component of our success is, and will continue to be, our industry-leading NFS Ascent™ solution. Our 12-country NFS Ascent contract, valued at more than \$100 million, continues to progress in line with our expectations. We completed the first two Ascent implementations with this customer in New Zealand and Australia in November 2016 and February 2017, respectively, and we are on-track to go live in additional markets in fiscal year 2018. Just as important, this mega-deal continues to act as a strong reference point for prospective NFS Ascent customers across our existing client base and with new customers in all our markets. Overall, we continue to see tremendous opportunity for long-term growth driven by our NFS Ascent solution.

In addition to our revenue growth strategy, during our fiscal second quarter 2017, we began to identify areas in our business where we can increase our productivity through process excellence, operate more efficiently, and reduce our operating and other indirect costs. Our decision to do this was in direct response to our strategic goal of better aligning our business for profitable growth over the long-term. As a result of this initiative, we anticipate generating up to \$4 million dollars of savings annually, beginning in our fiscal third quarter 2017.

In summary, I remain excited about the future of NETSOL. We are an industry leader in a large and growing finance and leasing market, and we will continue to leverage our strong market position, best-in-class solution set, and long-standing relationships with 200-plus blue chip customers to deliver sustainable profitable growth.

We encourage you to review the proxy and submit your vote by mail or in person at the 2017 NetSol Technologies, Inc. annual meeting, which will be held at our office located at 24025 Park Sorrento, Suite 410, Calabasas, CA 91302, on June 20, 2017, starting at 10:00 a.m. We all have a vested stake in the success of the company and it is important that your shares be represented and voted.

Thank you for your continued support.

Sincerely,

---

This Proxy Statement is furnished to holders of the common stock, par value \$.01 per share, of NetSol Technologies, Inc., a Nevada corporation (the "Company"), in connection with the solicitation by the Company's Board of Directors of proxies for use at the Company's Annual Meeting of Shareholders (the "Annual Meeting") to be held on June 20, 2017 at 10:00 A.M., local time, at the Company headquarters, located at 24025 Park Sorrento, Suite 410, Calabasas, CA 91302 and any and all adjournments thereof. The purpose of the Annual Meeting and the matters to be acted on there are set forth in the accompanying Notice of Annual Meeting of Shareholders. For overnight accommodations, Hilton Garden Inn located at 24150 Park Sorrento, Calabasas, CA 91302, telephone (818) 591-2300 is within a short walking distance of the meeting site.

The Annual Meeting has been called for the purpose of the following:

1. To consider and vote on the election of directors, each to hold office for a term of one year ending in 2017 or when their successors are elected;
2. To consider and vote upon the ratification of the appointment of Squar Milner LLP ("Squar Milner") as the Company's independent auditors for the fiscal year 2017;
3. To approve, on an advisory basis, the compensation of the named executive officers in this Proxy Statement;
4. To approve, on an advisory basis, the frequency of the vote on executive compensation; and,
5. To consider such other matters as may properly come before the Annual Meeting.

## QUESTIONS AND ANSWERS ABOUT VOTING AND THE SHAREHOLDER MEETING

### **Q: Why did I receive the proxy materials?**

A: We have made the proxy materials available to you over the internet and mailed you paper copies of these materials because the Board is soliciting your proxy to vote your shares of our common stock at the annual meeting to be held on June 20, 2017 and at any adjournments or postponements of this meeting.

### **Q: What is a proxy?**

A: The Board is asking you to give us your proxy. Giving us your proxy means that you authorize another person or persons to vote your shares of our common stock at the annual meeting in the manner you direct. The written document you complete to designate someone as your proxy is usually called a "proxy card" or a "voting instruction form" depending on how the ownership of your shares is reflected in our records. If you are the record holder of your shares, a "proxy card" is the document used to designate your proxy to vote your shares. If you hold your shares in street name, a "voting instruction form" is the document used to designate your proxy to vote your shares. In this proxy statement, the term "proxy card" means both the voting instruction form and proxy card unless otherwise indicated.

### **Q: Who Can Vote?**

A: You are entitled to notice of the Annual Meeting if you held any shares of common stock of NetSol Technologies, Inc. as of the close of business on the record date, April 28, 2017. You are entitled to vote at the Annual Meeting all shares of common stock of NetSol Technologies, Inc. that you held as of the close of business on that record date. Each share of common stock is entitled to one vote with respect to each matter properly brought before the Annual Meeting.

As of the record date, April 28, 2017, there were 11,132,349 shares of common stock of NetSol Technologies, Inc. issued and outstanding.

In accordance with Nevada law, lists of our shareholders who are entitled to vote at the Annual Meeting will be available for inspection by any stockholder present at the Annual Meeting and, for ten days prior to the Annual Meeting, by any stockholder, for purposes germane to the meeting, at our offices located at 24025 Park Sorrento, Suite 410, Calabasas, CA 91302. Any inspection of these lists prior to the Annual Meeting must be conducted between 9:30 A.M. and 4:30 P.M. (PST). Please contact our Secretary to arrange any inspection prior to the Annual Meeting.

### **Q: Who Is the Record Holder?**

A: You may own common stock either (1) directly in your name, in which case you are the record holder of such shares, or (2) indirectly through a broker, bank or other nominee, in which case such nominee is the record holder.

If your shares are registered directly in your name, we are sending these proxy materials directly to you. If the record holder of your shares is a nominee, you will receive proxy materials from such nominee.

### **Q: How Do I Vote?**

#### *Record Holders:*

- By Mail. If you choose to vote by mail, mark your proxy card, date and sign it, and return it as soon as possible in the postage-paid envelope provided.

By Telephone. If you choose to vote by phone, please call toll free (888) 628-1041 and vote your shares; international callers please call our toll number 201-806-7301 to vote.

- By attending the Annual Meeting. If you attend the Annual Meeting, you can vote your shares in person.

By voting on the Internet. Please go on [www.proxyvote.com](http://www.proxyvote.com).

#### *Stock Held by Brokers, Banks and Nominees:*

- If your common stock is held by a broker, bank or other nominee, such nominee will provide you with instructions that you must follow in order to have your shares voted.

- If you plan to attend the Annual Meeting and vote in person, you will need to contact the broker, bank or other nominee to obtain evidence of your ownership of common stock on April 28, 2017.

**Q: Are proxy materials available on the Internet?**

A: Yes, please see notice below:

**Important notice regarding the availability of proxy materials  
for the annual shareholder meeting to be held on June 20, 2017;**

**Our Proxy Statement and 2016 Annual Report are available on the following Web site:  
<http://ir.netsoltech.com/all-sec-filings>**

**Q: What are NetSol shareholders being asked to vote on at the annual shareholder meeting?**

A: You will vote on:

- **Item 1:** The election of five directors to serve until the next annual meeting of shareholders;
- **Item 2:** To consider and vote upon the ratification of the appointment of Squar Milner LLP as the Company's independent auditors for the fiscal year 2017;
- **Item 3:** To approve, on an advisory basis, the compensation of the named executive officers in this Proxy Statement; and,
- **Item 4:** To approve, on an advisory basis, the frequency of the vote executive compensation.

**Q: How Many Shares Must be Represented in Order to Transact Business at the Annual Meeting?**

A: A quorum is the number of shares that must be represented, in person or by proxy, in order to transact business at the Annual Meeting. We will have a quorum and be able to conduct business at the Annual Meeting if a majority of the outstanding shares of common stock entitled to vote are present at the meeting, either in person or by proxy. Abstentions will be included in the calculation of the number of shares considered to be present for purposes of determining whether a quorum is present.

**Q: How Many Votes Are Required to Approve a Proposal?**

A: If a quorum is present, the vote of a majority of votes present in person or represented by proxy at the meeting and entitled to vote on the election of directors is required to elect directors. The vote of a majority of the votes cast is required to ratify the selection of our independent registered public accounting firm, to approve the proposal to approve, on an advisory basis, the named executive officer compensation in this Proxy Statement and, to approve an amendment of the articles of incorporation to increase the authorized shares of common stock.

**Q: What is a Broker Non-Vote?**

A: Under the rules that govern nominees who have record ownership of shares that are held in "street name" for account holders (who are the beneficial owners of the shares), nominees typically have the discretion to vote such shares on routine matters, but not on non-routine matters. If a nominee has not received voting instructions from an account holder and does not have discretionary authority to vote shares on a particular item, a "broker non-vote" occurs.

**Q: How can I change my vote?**

A: You can revoke your proxy prior to the close of voting at the Annual Meeting by:

- Sending written notice of revocation to our Secretary at our executive offices;
- Sending a signed proxy card bearing a later date than revoked proxy to our Secretary; or
- If you attend the Annual Meeting in person, by either giving notice of revocation to the Inspector(s) of Election at the Annual Meeting or by voting in person.

**Q: Does Anyone Solicit this Proxy and Who Will Pay the Expenses of the Proxy Distribution?**

A: We will pay the expenses for the preparation of the proxy materials and the solicitation of proxies. Our directors, officers or employees may solicit proxies on our behalf in person or by telephone, e-mail, facsimile or other electronic means. These directors, officers and employees will not receive additional compensation for such services. In accordance with the regulations of the United States Securities and Exchange Commission (the "SEC"), we may reimburse brokerage firms and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of our common stock.

**Q: What do I need to do now?**

A: First, carefully read this document in its entirety. Then, vote your shares by following the instructions from your broker, if your shares are held in "street name", or by one of the following methods:

- If you received these printed materials by mail, mark, sign, date and return your proxy card in the enclosed return envelope as soon as possible; or
- Call the toll-free number on the proxy card and follow the directions provided; or
- Go to the website listed on the proxy card and follow the instructions provided; or,
- attend the shareholder meeting and submit a properly executed proxy or ballot. If a broker holds your shares in "street name," you will need to get a legal proxy from your broker to vote in person at the meeting.

Voting by phone or on the Internet has the same effect as submitting a properly executed proxy card.

**Q: What are my choices when voting?**

A: When you cast your vote on:

Item 1: You may vote in favor of electing the nominees as directors or vote against one or more nominees or you may abstain from voting; and

Item 2: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares.

Item 3: You may cast your vote in favor of or against the proposal or you may elect to abstain from voting your shares.

Item 4: You may cast your vote in favor of or against the proposal, or you may elect to abstain from voting your shares.

**If you sign, date and mail your proxy card without indicating how you want to vote, your proxy will be counted as a vote in favor of each director nominee and in favor of Proposal 1, 2, 3 and 4.**

**Q. Does the Board have a recommendation for voting?**

A. The Board unanimously recommends you vote your shares as follows:

Proposal 1 – **"FOR"** each of the persons nominated for election to the Board.

Proposal 2- **"FOR"** ratifying the selection of Squar Milner LLP as the Company's independent auditor for fiscal year ending June 30, 2017.

Proposal 3- **"FOR"** approval, on an advisory basis, the compensation of the named executive officers in this Proxy Statement.

Proposal 4- **"FOR"** approval, on an advisory basis, the frequency of the vote on executive compensation.

**Q: What if I abstain from voting?**

A: If your shares are represented at the annual meeting, in person or by proxy, but you abstain from voting on a matter, or include instructions in your proxy to abstain from voting on a matter, your shares will be counted for the purpose of determining if a quorum is present, but will not be counted as either an affirmative vote or a negative vote with respect to that matter. With respect to the items scheduled to be voted on at the meeting, abstentions will have no effect on the outcome of the vote on those proposals, assuming a quorum is present.

**Q: Who is eligible to vote?**

A: Holders of record of NetSol Technologies, Inc. common stock at the close of business on April 28, 2017 are eligible to vote at NetSol's annual meeting of shareholders. As of that date, there were 11,132,349 shares of NetSol common stock outstanding held by 171 holders of record, a number that does not include beneficial owners who hold shares in "street name".

**Q: How many shares are owned by NetSol's directors and executive officers?**

A: On April 4, 2017, NetSol's directors and executive officers beneficially owned 1,230,139 shares entitled to vote at the annual meeting, constituting approximately 11% of the total shares outstanding and entitled to vote at the meeting.

**Q: Can I change my vote after I have mailed my signed proxy card or voted by telephone or electronically?**

A: Yes. If you have not voted through your broker, you can do this by:

- calling the toll-free number on the proxy card at least 24 hours before the meeting and following the directions provided;
- going to the website listed on the proxy card at least 24 hours before the meeting and following the instructions provided; or,
- submitting a properly executed proxy prior to the meeting bearing a later date than your previous proxy; or
- voting in person at the meeting, but simply attending the meeting will not, in and of itself, revoke a proxy.

If you voted through your broker, please contact your broker to change or revoke your vote.

**Q: If my shares are held in "street name" by my broker, will my broker vote my shares for me?**

A: Yes, but only if you give your broker instructions. If your shares are held by your broker (or other nominee), you should receive this document and an instruction card from your broker. Your broker will vote your shares if you provide instructions on how to vote. If you do not tell your broker how to vote, your broker may vote your shares in favor of ratification of the auditor appointment but may not vote your shares on the election of directors or any other item of business. However, your broker is not required to vote your shares if you do not provide instructions.

**Q: Can I attend the shareholder meeting even if I vote by proxy?**

A: Yes. All shareholders are welcome to attend and we encourage you to do so.

**Q: Why did I receive more than one proxy card?**

A: You may receive multiple cards if you hold your shares in different ways (e.g. joint tenancy, in trust or in custodial accounts). You should vote on every proxy card that you receive.

**Q: Are there any rules regarding admission to the annual meeting?**

A: Yes. You are entitled to attend the annual meeting only if you were, or you hold a valid legal proxy naming you to act for, one of our shareholders on the record date. Before we will admit you to the meeting, we must be able to confirm:

- Your identity by reviewing a valid form of photo identification, such as a driver's license; and
- You were, or are validly acting for, a shareholder of record on the record date by:
  - verifying your name and stock ownership against our list of registered shareholders, if you are the record holder of your shares;

- reviewing other evidence of your stock ownership, such as your most recent brokerage or bank statement, if you hold your shares in street name; or your most recent plan statement; or
- reviewing a written proxy that shows your name and is signed by the shareholder you are representing, in which case either the shareholder must be a registered shareholder or you must have a brokerage or bank statement for that shareholder as described above.

*If you do not have proof that you owned, or are legally authorized to act for someone who owned, shares of our common stock on the record date, you will not be admitted to the meeting.*

At the entrance to the meeting, we will verify that your name appears in our stock records or will inspect your brokerage or bank statement, or proof of ownership and any written proxy you present as the representative of a shareholder. We will decide whether the documentation you present for admission to the meeting meets the requirements described above. The annual meeting will begin at 10:00 a.m., local time. Please allow ample time for the admission procedures described above.

**Q: Where do I get more information?**

## ANNUAL MEETING BUSINESS

### PROPOSAL 1

#### ELECTION OF DIRECTORS

NetSol's articles of incorporation and bylaws provide that directors are elected to serve a one-year term of office, expiring at the next annual meeting of shareholders. Our articles of incorporation establish up to nine directors, with the exact number to be fixed from time to time by resolution of the board of directors.

Directors are elected by a majority of votes, which means that the nominees receiving the most votes will be elected. Shareholders are not entitled to cumulate votes in the election of directors. In determining the votes cast for the election of a director, abstentions and broker non-votes are excluded. The Nominating and Corporate Governance Committee considers the offer of resignation and recommends to the board whether to accept it. The policy requires the board to act on the Nominating and Corporate Governance Committee's recommendation within 90 days following the shareholder meeting. Board action on the matter requires the approval of a majority of the independent directors.

The board of directors has nominated the following directors for election to one-year terms that will expire at earlier of their removal or replacement or at the 2017 annual meeting:

Najeeb Ghauri  
Naeem Ghauri  
Shahid J. Burki  
Eugen Beckert  
Mark Caton

The individuals appointed as proxies intend to vote "FOR" the election of the nominees listed above. If any nominee is not available for election, the individuals named in the proxy intend to vote for such substitute nominee as the board of directors may designate. Each nominee has agreed to serve on the board and we have no reason to believe any nominee will be unavailable.

For the biography of each nominee as well as for Director Compensation, please refer to Page 23 of the Proxy.

***Board Recommendation:***

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF ALL NOMINEES.**

## PROPOSAL 2

### RATIFICATION OF APPOINTMENT OF SQUAR MILNER, LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR FISCAL YEAR 2017

The Audit Committee is directly responsible for the appointment, compensation, retention, and oversight of the Company's independent registered public accounting firm. The Audit Committee engages in an annual evaluation of the independent public accounting firm's qualifications, assessing a wide variety of factors.

The Audit Committee has appointed Squar Milner as the independent registered public accounting firm to audit the Company's financial statements for the year ending June 30, 2017. The Audit Committee seeks shareholder ratification of this appointment of Squar Milner. There is no affiliation between the Company and Squar Milner its partners, associates or employees.

A representative from Squar Milner is expected to be present at the Annual Meeting in person or via telephone and will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions.

A majority of the votes cast, in person or by proxy, at the Annual Meeting, is required for the ratification of the appointment of the independent registered public accounting firm. Should the shareholders not ratify the selection of Squar Milner, it is contemplated that the appointment of Squar Milner will be permitted to stand unless the Audit Committee finds other compelling reasons for making a change. Disapproval by the shareholders will be taken into consideration for the selection of the independent registered public accounting firm for the coming year.

#### **Prior Change in Independent Registered Public Accounting Firm**

On April 12, 2017, the Audit Committee approved the selection of Squar Milner to serve as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2017. The selection of Squar Milner was effective as of April 12, 2017 and on the same date, the Company notified Kabani & Company ("Kabani") that it had been dismissed as the Company's independent registered public accounting firm effective as of April 12, 2017.

Kabani performed audits of the consolidated financial statements of the Company for the years ended June 30, 2016 and 2015. The audit reports of Kabani on the consolidated financial statements of the Company as of and for the years ended June 30, 2016 and 2015 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

During the two fiscal years ended June 30, 2016 and 2015 and from July 1, 2016 to April 12, 2017 (i) there were no disagreements with Kabani on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures that, if not resolved to Kabani's satisfaction, would have caused Kabani to make reference in connection to their opinion to the subject matter of the disagreement and (ii) there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K of the SEC.

Kabani has furnished a letter to the SEC dated April 12, 2017, stating that it agrees with the above statements.

During the two fiscal years ended June 30, 2016 and 2015 and from July 1, 2016 through April 12, 2017, neither the Company nor anyone on its behalf consulted Squar Milner regarding the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and no written report or oral advice was provided to the Company that Squar Milner concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue. During the fiscal years ended June 30, 2016 and 2015, and the subsequent interim period through April 12, 2017, neither the Company, nor anyone acting on the Company's behalf, has consulted with Squar Milner regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, in any case where either a written report or oral advice was provided to the Company by Squar Milner that Squar Milner concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a "disagreement" (within the meaning of Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K).

On April 13, 2017, the Company filed a Current Report on Form 8-K with the SEC with respect to the above referenced change in the Company's independent registered public accounting firm.

## **Audit Fees**

Kabani & Co. audited the Company's financial statements for the fiscal years ended June 30, 2016 and June 30, 2015. The aggregate fees billed by Kabani & Co. for the annual audit and review of financial statements included in the Company's Form 10-K, services related to providing an opinion in connection with our public offering of shares of common stock and/or services that are normally provided by Kabani & Company that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for the year ended June 30, 2016 was \$244,500 and for the year ended June 30, 2015 was \$250,000.

## **Tax Fees**

Tax fees for fiscal year 2016 were \$15,000 and consisted of the preparation of the Company's federal and state tax returns for the fiscal years 2015. Tax fees for fiscal year 2015 were \$15,000 and consisted of the preparation of the Company's federal and state tax returns for the fiscal year 2014.

## **All Other Fees**

No other fees were paid to Kabani & Co. during the fiscal year 2016 and 2015.

## **Pre-Approval Procedures**

The Audit Committee and the Board of Directors are responsible for the engagement of the independent auditors and for approving, in advance, all auditing services and permitted non-audit services to be provided by the independent auditors. The Audit Committee maintains a policy for the engagement of the independent auditors that is intended to maintain the independent auditor's independence from NetSol. In adopting the policy, the Audit Committee considered the various services that the independent auditors have historically performed or may be needed to perform in the future. The policy, which is to be reviewed and re-adopted at least annually by the Audit Committee:

- (i) Approves the performance by the independent auditors of certain types of service (principally audit-related and tax), subject to restrictions in some cases, based on the Committee's determination that this would not be likely to impair the independent auditors' independence from NetSol;
- (ii) Requires that management obtain the specific prior approval of the Audit Committee for each engagement of the independent auditors to perform other types of permitted services; and
- (iii) Prohibits the performance by the independent auditors of certain types of services due to the likelihood that their independence would be impaired.

Any approval required under the policy must be given by the Audit Committee, by the Chairman of the Committee in office at the time, or by any other Committee member to whom the Committee has delegated that authority. The Audit Committee does not delegate its responsibilities to approve services performed by the independent auditors to any member of management.

The standard applied by the Audit Committee in determining whether to grant approval of an engagement of the independent auditors is whether the services to be performed, the compensation to be paid therefore and other related factors are consistent with the independent auditors' independence under guidelines of the Securities and Exchange Commission and applicable professional standards. Relevant considerations include, but are not limited to, whether the work product is likely to be subject to, or implicated in, audit procedures during the audit of NetSol's financial statements; whether the independent auditors would be functioning in the role of management or in an advocacy role; whether performance of the service by the independent auditors would enhance NetSol's ability to manage or control risk or improve audit quality; whether performance of the service by the independent auditors would increase efficiency because of their familiarity with NetSol's business, personnel, culture, systems, risk profile and other factors; and whether the amount of fees involved, or the proportion of the total fees payable to the independent auditors in the period that is for tax and other non-audit services, would tend to reduce the independent auditors' ability to exercise independent judgment in performing the audit.

Shareholder approval of the selection of Squar Milner as our independent auditors is not required by law, by our bylaws or otherwise. The Sarbanes-Oxley Act of 2002 requires the Audit and Compliance Committee to be directly responsible for the appointment, compensation and oversight of the audit work and the independent auditors. The Committee will consider the results of the shareholder vote on this proposal and, in the event of a negative vote, will reconsider its selection of Squar Milner. However, the Audit and Compliance Committee is not bound by the shareholder vote.

Even if Squar Milner's appointment is ratified by the shareholders, the Audit and Compliance Committee may, in its discretion, appoint a new independent registered public accounting firm at any time if it determines that such a change would be in the best interests of the Company and its shareholders. A representative of Squar Milner is expected to be available via telephonic conference in the event of any appropriate questions arise at the meeting.

## ***Board Recommendation:***

**THE COMPANY'S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF SQUAR MILNER AS INDEPENDENT AUDITOR FOR FISCAL YEAR 2017.**

### **PROPOSAL 3**

#### **ADVISORY VOTE ON EXECUTIVE COMPENSATION**

A “say on pay” advisory vote is required for all U.S. public companies under Section 14A of the Securities Exchange Act of 1934, as amended. In accordance with this law, we are asking shareholders to approve, on an advisory basis, the compensation of the Company’s named executive officers disclosed in the Compensation Discussion and Analysis section on page 25. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the named executive officers and the philosophy, policies and practices described in this proxy statement.

For the reasons discussed below, the Board of Directors recommends that you vote FOR approval of the advisory vote on executive compensation because it believes that the policies and practices described in the Compensation Discussion and Analysis are effective in achieving the Company’s goals of rewarding sustained financial and operating performance and leadership excellence, aligning the executives’ long-term interests with those of the shareholders and motivating the executives to remain with the Company for long and productive careers. Named executive officer compensation of the past three years reflects amounts of cash and long-term equity awards consistent with periods of economic stress and lower earnings, and equity incentives aligning with our actions to stabilize the Company and position it for a continued recovery.

We urge shareholders to read the Compensation Discussion and Analysis beginning on page 25 of this proxy statement, as well as the Summary Compensation Table and related compensation tables, notes and narrative, appearing on pages 28 through 35, which provide detailed information on the Company’s compensation policies and practices and the compensation of our named executive officers.

#### **Vote Required**

Approval of the advisory vote on executive compensation requires the affirmative vote of a majority of the shares of our common stock present in person or represented by proxy and entitled to vote at the meeting. While this advisory vote on executive compensation is non-binding, the Board and the Compensation Committee will review and consider the voting results when evaluating our executive compensation program. Currently, the Board seeks the shareholders vote on Executive Compensation every two years. The next time the shareholders have an opportunity to vote on this matter is on the proxy for fiscal year 2018.

#### ***Board Recommendation:***

**THE COMPANY’S BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS ‘FOR’ THE ADVISORY VOTE ON EXECUTIVE COMPENSATION.**

## **PROPOSAL 4**

### **TO APPROVE, ON ADVISORY BASIS, FREQUENCY OF THE VOTE OF EXECUTIVE COMPENSATION**

Consistent with the Dodd-Frank Act requirements and Section 14A of the Exchange Act, we are providing our shareholders with the opportunity to cast an advisory vote on how often the Company should submit a “say on pay” proposal. In Proposal 3, we are providing our shareholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers. In this Proposal 4, we are asking our shareholders to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Shareholders may vote for a frequency of every one, two, or three years, or may abstain. A frequency vote similar to this will occur at least once every six years.

After careful consideration of the frequency alternatives, the Board believes that conducting a non-binding advisory vote on executive compensation every one year (annually) is appropriate for us and our shareholders at this time. The Board believes that an annual executive compensation advisory vote will facilitate more direct shareholder input about executive compensation. An annual executive compensation advisory vote is also consistent with our policy of reviewing our compensation program annually. Therefore, we believe an annual vote would be the best governance practice for us at this time.

Accordingly, we are asking our shareholders to approve, on an advisory basis, the following resolution in respect of this Proposal 4:

"RESOLVED, that the shareholders of NetSol Technologies, Inc. be requested to recommend, on advisory basis, to approve the compensation of the Company's named executive officers should occur every one, two or three years."

Under SEC rules, shareholders shall also have the option to abstain from voting on the matter. However, the Board recommends that shareholders vote to hold an advisory vote on executive compensation every year.

While the Board believes that its recommendation is appropriate at this time, the shareholders are not voting to approve or disapprove that recommendation, but are instead asked to indicate their preferences, on an advisory basis, as to whether the non-binding advisory vote on the approval of the Company's executive officer compensation practices should be held every year, every other year or every three years. The option among those choices that receives the highest number of votes from the holders of shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be deemed to be the frequency preferred by the shareholders.

The Board and the Compensation Committee value the opinions of the shareholders in this matter, and the Board intends to hold say-on-pay votes in the future in accordance with the alternative that receives the most shareholder support. However, because this vote is advisory and not binding on the Board of Directors or the Company, the Board may decide that it is in the best interests of our shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by our shareholders.

#### ***Board Recommendation:***

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU SELECT EVERY “1 Year” AS THE FREQUENCY WITH WHICH THE COMPANY SHOULD PROVIDE ITS SHAREHOLDERS WITH ADVISORY VOTE ON EXECUTIVE COMPENSATION.**

## CORPORATE GOVERNANCE, BOARD OF DIRECTORS

### MEETINGS AND BOARD COMMITTEES

#### Nomination of Directors:

The board is responsible for nominating members to the board and for filling vacancies on the board that may occur between annual meetings of shareholders, in each case based upon the recommendation of the nominating and corporate governance committee. The committee seeks input from other board members and senior management to identify and evaluate nominees for director. The committee may hire a search firm or other consultants. The committee will consider nominees recommended by shareholders for election to the board provided the names of such nominees, accompanied by relevant biographical information, and relevant information about the shareholder submitting the nominee, are provided in writing to our secretary in accordance with the requirements of our bylaws. Messrs. Najeeb Ghauri & Naeem Ghauri are brothers.

#### Director Independence:

The Board has determined that independent directors must have no material relationship with the Company, based on all material facts and circumstances. At a minimum, an independent director must meet each of the standards listed below.

1. The director, within the last three years, has not been employed by and has no immediate family member that has been an executive officer of the Company.
2. Neither the director nor any immediate family member has, in any 12-month period during the last three years, received more than \$120,000 in direct compensation from the Company other than compensation for director or committee service and pension or other deferred compensation for prior service.
3. Neither the director nor any immediate family member is a current partner of the Company's independent accountants firm, the director is not a current employee of the independent accountant's firm, no immediate family member is a current employee of the independent accountant's firm working in its audit, assurance or tax compliance practice, and neither the director nor any immediate family member was an employee or partner of the independent accountant's firm within the last three years and worked on the Company's audit within that time.
4. Neither the director nor any immediate family member has, within the last three years, been part of an interlocking directorate. This means that no executive officer of the Company served on the compensation committee of a company that employed the director or an immediate family member.
5. The director is not currently an employee of and no immediate family member is an executive officer of another company that represented at least 2% or \$1 million, whichever is greater, of the Company's gross revenues, or of which the Company represented at least 2% or \$1 million, whichever is greater, of such other company's gross revenues in any of the last three fiscal years. Charitable contributions are excluded from this calculation.

For the purposes of these standards, "Company" includes all NetSol subsidiaries and other affiliates. "Immediate family member" includes the director's spouse, domestic partner, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law. The independence standards for the members of the Audit Committee provide that, in addition to the foregoing standards, they may not receive any compensation other than director's fees for board and audit committee service and permitted retirement pay, or be an "affiliate" of the Company apart from their capacity as a member of the Board as defined by applicable SEC rules.

The Common Stock is listed and traded on the NASDAQ Capital Market. The corporate governance rules of the NASDAQ Capital Market requires that a majority of the Board consist of directors who are "independent" of the Company. The Board has determined each of the following directors and nominees for director qualify as "independent" in accordance with Rule 5605(a)(2)(A) and (B) of the NASDAQ listing standards for determining independence. Messrs. Mark Caton, Shahid J. Burki and Eugen Beckert are independent board members as described in the listing standards.

#### Leadership Structure:

The leadership structure of the Board consists of a combined Chairman/CEO position which has been held by Mr. Najeeb Ghauri since 2006. At this time, the Company believes that as a small-cap global corporation, the combination of these two positions is the most appropriate and suitable structure for proper, efficient and cost effective Board functioning and communication. Mr. Najeeb Ghauri is the direct link between senior management globally and the Board members and provides critical insight to the Board, as well as feedback to senior management through his comprehensive understanding of the issues at hand. Mr. Ghauri's travels and visits to all subsidiaries across the globe, holding meetings with heads of each subsidiary and relaying the important aspects of such meetings to the Board, justify the need for Mr. Ghauri to hold his dual leadership position. To provide the Board with autonomy, the Board maintains majority independent members whom all head and participate in all board committees. The CEO makes frequent reports to the Board of Directors and answers questions posed by directors. He also discusses with the Board of Directors the reasons for certain recommendations of the Company's executive management group.

The Company believes that its leadership structure is appropriate because it fosters a certain degree of control and balanced oversight of the management of the Board's functions and decision making processes, while at the same time allowing the CEO to focus on the day-to-day leadership and operations of the Company.

*Role of Board in Oversight of Risks:*

Like all companies, NetSol faces a variety of risks, both internal and external, and many factors work simultaneously to affect the Company's overall business risk. The Board recognizes that the Company's business risk is not static, and that it is not possible to mitigate all risk and uncertainty. The Board works within a climate of respect and candor, fostering a culture of open dialog between Board members and senior management. Overall, the Board believes that the various board committees proactively review and assess any existing and emerging risks that may face the Company as provided in the respective committee charters.

In addition, other committees of the Board of Directors consider risk within their areas of responsibility. The Audit Committee has responsibility for oversight of risks associated with financial accounting and reporting, including the system of internal control. This oversight includes reviewing and discussing with management the Company's major financial risk exposures and the procedures utilized by management to monitor and control such exposure. The Compensation Committee oversees the risks relating to compensation plans and programs. The Nominating Committee and Corporate Governance Committee ensure the Company maintains a positive and effective Board leadership and is up to date with internal policies such as the Company's Code of Ethics.

The Company believes that its risk oversight structure provides a critical link to providing an effective risk management program. The Board of Directors and the management team are committed to continuous improvement and strengthening of the Company's risk management practices.

*Board of Directors Meetings:*

During the fiscal year ended June 30, 2016, the Board of Directors of the Company met 8 times and acted by written consent 4 times at which all directors were in attendance. Overall attendance at the annual, special and all committee meetings of the board was 100%. The Company requests that all board members attend annual meetings of the board.

*Board Committees:*

The Board of Directors of the Company has an Audit Committee, a Compensation Committee, and a Nominating and Corporate Governance Committee. The charters for the Audit, Compensation and Nominating and Corporate Governance Committees are posted on the Company's web site at [www.netsoltech.com](http://www.netsoltech.com) (select "About Us" then "Corporate Governance" and finally, the desired committee charter). All committee members are appointed by the Board of Directors.

The Audit Committee met five times, the Compensation Committee met five times, and the Nominating and Corporate Governance Committee met one time during fiscal year 2016.

*Committee Members:*

The Audit committee is made up of Mr. Burki as Chairman, Mr. Caton, and Mr. Beckert as members. ## COMPENSATION DISCUSSION AND ANALYSIS

### Compensation Discussion and Analysis

NetSol Technologies' Named Executive Officers, a group comprised of the Chief Executive Officer, the Chief Financial Officer and the Secretary and General Counsel in the 2015-2016 fiscal year are the following individuals:

Najeeb Ghauri	Chief Executive Officer
Roger K. Almond	Chief Financial Officer
Patti L. W. McGlasson	Sr. V.P. Legal and Corporate Affairs, Secretary and General Counsel

### *Compensation Philosophy and Objectives*

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals by the Company, and which aligns executives' interests with those of the stockholders by rewarding performance at or above established goals, with the ultimate objective of increasing stockholder value. The philosophy of the Compensation Committee is to evaluate both performance and compensation to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. To that end, the Compensation Committee believes executive compensation packages should include both cash and equity-based compensation that reward performance as measured against established goals.

### *Setting Executive Compensation*

Management develops our compensation plans by utilizing publicly available compensation data in the media services and technology industries. We believe that the practices of these groups of companies provide us with appropriate compensation benchmarks, because these groups of companies are in similar businesses and tend to compete with us for executives and other employees. For benchmarking executive compensation, we typically review the compensation data we have collected from these groups of companies, as well as a subset of the data from those companies that have a similar number of employees as the Company. The Compensation Committee has determined to utilize the services of a consultant for purposes of comparing our compensation program with similarly situated companies in like industries. The recommendations of these consultants will be utilized by the Committee in determining the appropriate compensation packages. While these consultants may make general recommendations about the size and components of compensation, we anticipate our philosophy to continue on the basis of a pay-for-performance philosophy.

Based on management's analyses and recommendations, the Compensation Committee has approved a pay-for-performance compensation philosophy, which is intended to establish base salaries and total executive compensation (taking into consideration the executive's experience and abilities) that are competitive with those companies with a similar number of employees represented in the compensation data we review.

We work within the framework of this pay-for-performance compensation philosophy to determine each component of an executive's initial compensation package based on numerous factors, including:

- The individual's particular background, track record and circumstances, including training and prior relevant work experience;
- The individual's role with us and the compensation paid to similar persons in the companies represented in the compensation data that we review;
- The demand for individuals with the individual's specific expertise and experience;
- Performance goals and other expectations for the position; and
- Uniqueness of industry skills.

The terms of each executive officer's compensation are derived from employment agreements negotiated between the Company and the executive. Each executive's employment agreement is generally negotiated to cover a one to three-year period, and prescribes the base salary and other annual payments, if any, to the executive. Employment agreements for all executive officers are approved by the Board of Directors and the Compensation Committee. Employment agreements for other executives are approved by the Company's Chief Executive Officer.

## ***2016 Executive Compensation Components***

For the fiscal year ended June 30, 2016, the principal components of compensation that our named executive officers were eligible to receive were:

- Base salary;
- Long Term Equity Incentive Compensation;
- Performance-based incentive compensation (discretionary bonus); and
- Perquisites and other personal benefits.

The Company's executive compensation program is intended to promote and maintain stability within the executive team. The Company's goal for its executive compensation program is to attract, motivate and retain a talented, entrepreneurial, ethical and creative team of executives who will provide leadership for the Company's success in dynamic and competitive markets.

### ***Base Salary***

An executive's base salary is evaluated together with components of the executive's other compensation to ensure that the executive's total compensation is consistent with our overall compensation philosophy. Base salaries are adjusted annually by the Compensation Committee.

The base salaries were established in arms-length negotiations between the executive and the Company, taking into account their extensive experience, knowledge of the industry, track record, and achievements on behalf of the Company. The Company expects each named executive officer to contribute to the Company's overall success as a member of the executive team rather than focus solely on specific objectives within the officer's area of responsibility.

### ***Annual Bonus***

Our compensation program includes eligibility for bonuses as rewarded by the Compensation Committee. All executives are eligible for annual performance-based cash bonuses in accordance with Company policies. The compensation committee takes into consideration the executive's performance during the previous year to determine eligibility for discretionary bonuses. Further, the compensation committee will review, if applicable, the performance criteria set forth in an executive's previous year's agreement and will determine if the executive has met such criteria in order to achieve the bonus. The Company's bonus criteria at the executive management level, is typically based on gross revenue and per share profit targets.

### ***Long-Term Equity Incentive Compensation***

We believe that long-term performance is achieved through an ownership culture that encourages long-term participation by our executives in equity-based awards. Our various Employee Stock Option Plans allow us to grant stock options to employees. We currently make initial equity awards of stock options to new executives and certain non-executive employees in connection with their employment with the Company. Annual grants of options, if any, are approved by the Compensation Committee.

*Equity Incentives.* Executives, certain non-executive employees, and directors who join us may be awarded stock awards and/or stock option grants after they join the Company. These grants have an exercise price equal to the fair market value of our common stock on the grant date. Such awards are intended to provide the executive with incentive to build value in the organization over an extended period of time. The size of the stock option award is also reviewed in light of the executive's track record, base salary, other compensation and other factors to ensure that the executive's total compensation is in line with our overall compensation philosophy. A review of all components of compensation is conducted when determining equity awards to ensure that total compensation conforms to our overall philosophy and objectives.

Equity incentives provided to executives are determined by the Fair Market Value of our common stock on the grant date were provided to the executives as an adjustment of their overall compensation while taking in to account the need to continue to incentivize the executive to build value in the organization. Each executive's stock award was based on an analysis of the Compensation Committee of an appropriate overall cash compensation for each individual taking into account their position and compensation at similarly situated companies. Each executive's stock award was based on a desired overall compensation cash value less the base salary as approved by the Compensation Committee.

### ***Perquisites and Other Personal Benefits***

We provide named executive officers with perquisites and other personal benefits that we believe are reasonable and consistent with our overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to NetSol's executive officers.

We maintain benefits and perquisites that are offered to all employees, including health and dental insurance. Benefits and perquisites may vary in different country locations and are consistent with local practices and regulations.

### ***Termination Based Compensation***

Upon termination of employment, all executive officers with a written employment agreement are entitled to receive severance payments under their employment agreements. In determining whether to approve, and as part of the process of setting the terms of, such severance arrangements, the Compensation Committee recognizes that executives and officers often face challenges securing new employment following termination. Further, the Committee recognizes that many of the named executives and officers have participated in the Company since its founding and that this participation has not resulted in a return on their investments. Termination and Change in Control Payments considered both the risk and the dedication of these executives' service to the Company.

Our Chief Executive Officer has an employment agreement that provides, if his employment is terminated without cause or if the executive terminates the agreement with Good Reason, he is entitled to (a) all remaining salary to the end of the date of termination, plus salary from the end of the employment term through the end of the fourth anniversary of the date of termination, and (b) the continuation by the Company of medical and dental insurance coverage for him and his family until the end of the employment term and through the end of the fourth anniversary of the date of termination. Provided, however, if such benefits cannot be continued for this extended period, the Executive shall receive cash (including a tax-equivalency payment for Federal, state and local income and payroll taxes assuming Executive is in the maximum tax bracket for all such purposes) where such benefits may not be continued. These agreements further provide for vesting of all options and restrictive stock grants, if any.

Our Chief Financial Officer has an employment agreement that provides, if his employment is terminated without cause or if the executive terminates the agreement with Good Reason, he is entitled to (a) all remaining salary to the end of the date of termination, plus salary from the end of the employment term through the end of the first anniversary of the date of termination, and (b) the continuation by the Company of medical and dental insurance coverage for him and his family until the end of the employment term and through the end of the first anniversary from the date of termination. Provided, however, if such benefits cannot be continued for this extended period, the Executive shall receive cash (including a tax-equivalency payment for Federal, state and local income and payroll taxes assuming Executive is in the maximum tax bracket for all such purposes) where such benefits may not be continued. These agreements further provide for vesting of all options and restrictive stock grants, if any.

The Secretary of the Company has an employment agreement that provides, if she is terminated without cause or if the executive terminates the agreement with Good Reason, she is entitled to (a) all remaining salary to the end of the date of termination, plus salary from the end of the employment term through the end of the second anniversary of the date of termination, and (b) the continuation by the Company of medical and dental insurance coverage for her and her family until the end of the employment term and through the end of the second anniversary of the date of termination. Provided, however, if such benefits cannot be continued for this extended period, the Executive shall receive cash (including a tax-equivalency payment for Federal, state and local income and payroll taxes assuming Executive is in the maximum tax bracket for all such purposes) where such benefits may not be continued. These agreements further provide for vesting of all options and restrictive stock grants, if any.

### **Tax and Accounting Implications**

#### ***Deductibility of Executive Compensation***

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. We believe that compensation paid under the management incentive plans is generally fully deductible for federal income tax purposes.

#### ***Accounting for Stock-Based Compensation***

Commencing on July 1, 2006, we began accounting for stock-based payments, including awards under our Employee Stock Option Plans, in accordance with the of Financial Accounting Standards Board's Accounting Standards Codification Topic 718, *Compensation – Stock Compensation*.
